To the holders of the company's Ordinary Shares and American Depositary Shares.

Dear Shareholder,

Annual General Meeting 2013

I am pleased to enclose the Notice of Meeting for the thirteenth Annual General Meeting (AGM) of GlaxoSmithKline plc. The AGM will be held on Wednesday, 1 May 2013 at 2.30pm at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE.

If you will not be attending, you may appoint a proxy by completing and returning the enclosed proxy form. Alternatively, you may appoint a proxy electronically via **www.shareview.co.uk**, **www.sharevote.co.uk** or, if you hold your shares in CREST, via the CREST system. Notice of your appointment of a proxy should reach the company's registrar, Equiniti, by 2.30pm on Monday, 29 April 2013. (If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy).

A resolution to receive and adopt the Directors' Report and the Financial Statements for 2012 is included in the ordinary business of the AGM.

Resolutions are also proposed for the formal election as Non-Executive Directors of Lynn Elsenhans and Jing Ulrich, who were appointed by the Board since the last AGM, and Hans Wijers, who is to be appointed by the Board on 1 April 2013. Their biographies are set out in the explanatory notes to this document.

In accordance with the UK Corporate Governance Code, all of the other Directors of the company will stand for re-election to the Board, with the exception of Sir Crispin Davis who is retiring from the Board after nine years' service.

In addition, resolutions are proposed to retain a notice period of 14 days for general meetings other than an AGM and to omit from the published copies of the company's Annual Report 2013 the name of the individual who signs the auditors' reports on behalf of the company's auditors.

Explanatory notes for all the business of the AGM are given on pages 12 to 18 of this document.

Recommendation

Your Board believes that the resolutions contained in the Notice of Meeting are in the best interests of the company and shareholders as a whole and recommends that you vote in favour of them, as your Directors intend to do in respect of their beneficial shareholdings.

Yours sincerely,

Explanatory notes to the business of the AGM

Ordinary Business

Each of these resolutions will be proposed as an ordinary resolution. This means that for each of the resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 1 – To receive and adopt the Directors' Report and the Financial Statements for 2012

For each financial year, the Directors must present the Directors' Report, the audited Financial Statements and the independent auditors' reports to shareholders at a general meeting.

Resolution 2 – To approve the Remuneration Report 2012

In accordance with section 439 of the Act, shareholders are invited to vote on the Remuneration Report, which may be found in the Annual Report 2012. The vote is advisory only. The Directors' entitlement to remuneration is not conditional on this resolution being passed.

Resolutions 3-17 – To elect and re-elect Directors

The company's Articles of Association require any Director newly appointed by the Board to retire at the first AGM after his or her appointment. The Board recommends that you elect as Non-Executive Directors Lynn Elsenhans and Jing Ulrich, who were appointed by the Board on 1 July 2012, and Hans Wijers, who is to be appointed by the Board on 1 April 2013. The Board has determined that Ms Elsenhans and Ms Ulrich are, and Mr Wijers will be, independent Non-Executive Directors in accordance with the UK Corporate Governance Code.

Ms Elsenhans was Chair, President and Chief Executive Officer of Sunoco Inc, a leading transportation fuel provider in the United States from 2009 to 2012. Prior to joining Sunoco as President and Chief Executive Officer in 2008, Ms Elsenhans worked for Royal Dutch Shell for almost 30 years, latterly as Executive Vice President, Global Manufacturing.

Ms Ulrich is Managing Director and Chairwoman of Global Markets, China at JP Morgan, serving as an adviser to the world's largest asset management firms and multinational companies. She also advises Chinese institutions making investments overseas. Prior to 2005, she held senior positions for several financial institutions in the Asia Pacific region.

The Board considered that Ms Elsenhans' knowledge of markets and experience of running global companies, and Ms Ulrich's experience in the Far East, would bring a fresh perspective to the Board, providing the guidance and oversight to help take GSK's business forward.

Mr Wijers is a Non-Executive Director and Chairman designate of Heineken NV. He is also Deputy Chairman and Non-Executive Director of Royal Dutch Shell. For 10 years he served as Chief Executive Officer and Chairman of Akzo Nobel NV, a world-leading paints company and a major producer of speciality chemicals. Previously, he was minister of Economic Affairs in the Dutch ministerial cabinet.

The Board considers that his broad business experience, together with his economic and political knowledge, will enable him to make a significant contribution to Board deliberations and hence the future success of GSK.

In accordance with the UK Corporate Governance Code, all of the other Directors will stand for re-election to the Board, with the exception of Sir Crispin Davis who has decided not to stand for re-election:

	Date of original election
Sir Robert Wilson	2004
Sir Christopher Gent & Sir Deryck Maughan	2005
Dr Moncef Slaoui & Tom de Swaan	2006
Dr Daniel Podolsky & Dr Stephanie Burns	2007
Professor Sir Roy Anderson & Sir Andrew Witty	2008
Stacey Cartwright, Simon Dingemans & Judy Lewent	2011

Following a formal evaluation process, the Chairman is satisfied that each of the Directors standing for re-election continues to perform effectively and demonstrates commitment to his or her role, including commitment of time to Board and Committee meetings and his or her other duties.

Sir Deryck Maughan, Tom de Swaan and Sir Robert Wilson have each served as Non-Executive Directors for more than six years and their performance has been subject to a rigorous review. The Board has concluded that they continue to be effective Non-Executive Directors.

Sir Robert Wilson has agreed to stand for re-election to the Board for one further year from May 2013, before stepping down from the Board at the company's AGM in May 2014. The Board confirms that Sir Robert continues to demonstrate the characteristics of independence in carrying out his role, and continues to perform his role effectively. Sir Robert will step down as Senior Independent Director with effect from 1 May 2013. Sir Deryck Maughan will take over the role of Senior Independent Director with effect from this date.

Led by the Senior Independent Director, the Non-Executive Directors met without the Chairman present to consider the Chairman's performance. The Senior Independent Director and other Non-Executive Directors are satisfied that the Chairman continues to perform effectively and demonstrates commitment to his role, including commitment of time to Board and Committee meetings and his other duties.

All the Non-Executive Directors have letters of appointment rather than service contracts. Sir Andrew Witty, Simon Dingemans and Dr Moncef Slaoui have service contracts with notice periods of 12 months. The Non-Executive Directors' letters of appointment and Executive Directors' service contracts are available for inspection as specified in Note (vii).

Biographical details of all the Directors are given in the company's Annual Report 2012. In addition, current biographical details for each Director are maintained on www.gsk.com.

Resolutions 18 and 19 – To authorise the Audit & Risk Committee to re-appoint PricewaterhouseCoopers LLP as auditors to the company and to determine their remuneration

At every general meeting at which accounts are presented to shareholders, the company is required to appoint auditors to serve from the end of the meeting until the next such meeting. PricewaterhouseCoopers LLP (PwC) have indicated that they are willing to continue as the company's auditors for a further year. The Audit & Risk Committee has reviewed PwC's effectiveness and recommends their re-appointment. You are asked to authorise the Audit & Risk Committee to re-appoint them and, following normal practice, to authorise the Audit & Risk Committee to determine their remuneration. Details of the company's policy with regard to the appointment of auditors, tendering the audit contract, the allocation of non-audit work and details of work undertaken by the auditors and their remuneration are given in our Annual Report 2012 which can be viewed on www.gsk.com.

Special Business

For a resolution proposed as a special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 20 – Donations to political organisations and political expenditure (ordinary resolution)

With effect from 1 January 2009, to ensure a consistent approach to political contributions across the GlaxoSmithKline group, the company introduced a global policy to voluntarily stop making political donations.

The Act requires companies to obtain shareholder approval before they can make donations to EU political parties, other political organisations or independent election candidates, or incur EU political expenditure. The company does not make and does not intend to make donations to political parties, other political organisations or independent election candidates, nor does it incur, or intend to incur, EU political expenditure, within the ordinary meaning of those words. However, the definitions of political donations, political expenditure and political organisations used in the Act are very wide. In particular, the definition of political organisations may extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the company and its subsidiaries might wish to support. As a result, the definitions may cover legitimate business activities not in the ordinary sense considered to be political donations or political expenditure. Such activities are not designed to support any political party or independent election candidate or to influence public support for any political party or independent election candidate. The authority which the Board is requesting is a precautionary measure to ensure that the company and its subsidiaries do not inadvertently breach the Act, and will be capped at £100,000 for the next year.

No payments have been made under previous authorities given in this regard.

Resolution 21 – Authority to allot shares (ordinary resolution)

This resolution gives the Directors authority to allot unissued share capital with a nominal value of up to £408,828,081 (representing 1,635,312,324 Ordinary Shares of 25 pence each) which, as at 28 February 2013, being the latest practicable date prior to the publication of this Notice, represented 33.33% of the issued share capital of the company (excluding Treasury shares).

The authority sought under this resolution will expire on the earlier of close of business on 30 June 2014 (being the last date by which the company must hold an AGM in 2014) and the conclusion of the AGM to be held by the company in 2014.

The Directors have no present intention to exercise the authority sought under this resolution, except to fulfil the company's obligations under its executive and employee share plans.

Resolution 22 – Disapplication of pre-emption rights (special resolution)

This resolution gives the Directors authority to allot Ordinary Shares (including any Ordinary Shares which the company has purchased and elected to hold as Treasury shares) for cash without first offering them to existing shareholders in proportion to their existing shareholdings and is limited to allotments or sales in connection with rights issues or other pre-emptive offers, or otherwise up to a maximum nominal amount of £61,330,345 (representing 245,321,380 Ordinary Shares of 25 pence each), which, as at 28 February 2013, being the latest practicable date prior to the publication of this Notice, represented just less than 5% of the company's issued share capital (excluding Treasury shares). In respect of this aggregate nominal amount, the Directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year

period, where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

The authority sought under this resolution will expire on the earlier of close of business on 30 June 2014 (being the last date by which the company must hold an AGM in 2014) and the conclusion of the AGM to be held by the company in 2014. This authority is granted under sections 570 and 573 of the Act and is a standard authority taken by most listed companies each year.

Resolution 23 – Purchase of own shares by the company (special resolution)

This resolution seeks authority for the company to make market purchases of its own Ordinary Shares. In certain circumstances it may be advantageous for the company to purchase its own shares and the Directors consider it to be desirable for this general authority to be available to provide flexibility in the management of the company's capital resources. Purchases of the company's own shares will be made only if to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally. You are asked to consent to the purchase by the company of up to a maximum of 490,642,760 Ordinary Shares, which, as at 28 February 2013, being the latest practicable date prior to the publication of this Notice, represented just less than 10% of the company's issued share capital (excluding Treasury shares). The authority sought under this resolution will expire on the earlier of close of business on 30 June 2014 (being the last date by which the company must hold an AGM in 2014) and the conclusion of the AGM to be held by the company in 2014. The maximum price which may be paid for an Ordinary Share will be the higher of (i) 105% of the average middle market quotations for the five business days preceding the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid at the time the purchase is carried out. The minimum price which may be paid for an Ordinary Share is its nominal value of 25 pence. The company may either retain any of its own shares which it has purchased as Treasury shares with a view to possible re-issue at a future date, or cancel them. Holding the shares as Treasury shares gives management the ability to re-issue them quickly and cost-effectively and would provide the company with additional flexibility in the management of its capital base.

The total number of options over Ordinary Shares outstanding as at 28 February 2013, being the latest practicable date prior to the publication of this Notice, was approximately 107 million, representing approximately 2.18% of the issued share capital (excluding Treasury shares). If the authority to buy back shares under this resolution was exercised in full, the total number of options to subscribe for Ordinary Shares outstanding as at 28 February 2013 would, assuming no further Ordinary Shares are issued, represent 2.42% of the issued share capital (excluding Treasury shares).

The company's current intention is to satisfy the exercise of all outstanding options by the issue of new Ordinary Shares.

Resolution 24 – Exemption from statement of the name of the senior statutory auditor in published copies of the auditors’ reports (ordinary resolution)

The Act requires that each and every copy of the auditors’ reports to the company’s shareholders on the Annual Report, and other auditable reports, which are published by or on behalf of the company, must state, where the company’s auditors are a firm, the name of the person who signed them in his or her own name as senior statutory auditor in relation to the audit, for and on behalf of the auditors. However, the Act provides an exemption from this requirement if the company considers on reasonable grounds that statement of the individual’s name would create, or be likely to create, a serious risk that he or she or any other person would be subject to violence or intimidation. For many years, the company and its legacy companies, together with its employees, have been the focus of protests by various animal protection groups, some of which have engaged in aggressive, abusive and hostile acts. The Directors therefore believe that it is appropriate that the company should seek to utilise the confidentiality afforded to the senior statutory auditor of the company’s auditors under the Act. This resolution therefore seeks shareholder approval for the auditors’ reports for the financial year ending 31 December 2013 to omit the name of the senior statutory auditor. The company would give notice to the Secretary of State in the appropriate format if this resolution is passed.

Resolution 25 – Reduced notice of a general meeting other than an Annual General Meeting (special resolution)

This resolution seeks to renew an authority granted at last year’s AGM to allow the company to call general meetings other than an AGM on 14 clear days’ notice. Changes made to the Act by The Companies (Shareholders’ Rights) Regulations 2009 (the Shareholders’ Rights Regulations) increase the notice period required for general meetings of the company to 21 days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. AGMs will continue to be held on at least 21 clear days’ notice. Before the Shareholders’ Rights Regulations came into force on 3 August 2009, the company was able to call general meetings other than an AGM on 14 clear days’ notice without obtaining such shareholder approval. Resolution 25 seeks to preserve the ability to do this. If passed, this resolution will enable the company to retain maximum flexibility to seek shareholder approval for any future change or transaction that may require such approval. The resolution will be effective until the company’s next AGM, when it is intended that a similar resolution will be proposed. The company confirms that it will give as much notice as practicable when calling a general meeting and that it does not intend to use this authority as a matter of routine. The company envisages that this authority would be used (in limited circumstances for time-sensitive matters) where a shorter notice period would in the Board’s opinion be to the advantage of shareholders as a whole, and where flexibility is merited by the nature of the business of the meeting.

Shareholders should note that if the company calls a general meeting on less than 21 clear days’ notice, the company will provide a means for all shareholders to vote electronically for that meeting.

The rules about the appointment and replacement of Directors are contained in the company's Articles of Association. The company's Articles must be approved by shareholders in accordance with the legislation in force from time to time and may be amended by a special resolution of the members.

The Articles provide that Directors may be appointed by an ordinary resolution of the members or by a resolution of the Directors, provided that, in the latter instance, a Director appointed in this way retires at the first AGM following his or her appointment.

The Articles also require that at every AGM certain of our current Directors retire by rotation and detail the circumstances in which and how they may be re-elected. However, the Board has decided that all Directors will retire and, if they wish, stand for re-election at the AGM on 1 May 2013 in accordance with the UK Corporate Governance Code. The company's members may remove a Director by passing an ordinary resolution of which special notice has been given or by passing a special resolution. A Director will automatically cease to be a Director if (i) he or she becomes bankrupt or compounds with his or her creditors generally, (ii) he or she is or has been suffering from mental or physical ill health and the Board resolves that his or her office is vacated, (iii) he or she has missed Directors' meetings for a continuous period of six months without permission and the Board resolves that he or she shall cease to be a Director, (iv) he or she is prohibited from being a Director by law, (v) he or she ceases to be a Director by virtue of UK companies legislation or is removed from office pursuant to the company's Articles of Association, (vi) he or she resigns, (vii) he or she offers to resign and the Board accepts that offer, or (viii) his or her resignation is requested by all of the other Directors and all of the other Directors are not fewer than three in number.

The powers of the Directors are determined by UK legislation and the company's Articles of Association, available on www.gsk.com. As provided in those Articles, the Directors may exercise all the company's powers provided that the Articles or applicable legislation do not stipulate that any such powers must be exercised by the members. The Directors have been authorised to issue and allot Ordinary Shares, and have authority to make market purchases of shares. Renewal of these authorities is sought from shareholders at each AGM. Any shares purchased may be cancelled or held as Treasury shares.

For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual.

The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to an instruction to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent, Equiniti ID RA19 by 2.30pm on Monday, 29 April 2013.

After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member or has appointed a voting service provider or providers, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
