25 March 2015

To the holders of the company's Ordinary Shares and American Depositary Shares.

Dear Shareholder,

Annual General Meeting 2015

I am pleased to enclose the Notice of Meeting for the fifteenth Annual General Meeting (AGM) of GlaxoSmithKline plc. The AGM will be held on Thursday 7 May 2015 at 2.30pm at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE.

If you will not be attending, you may appoint a proxy by completing and returning the enclosed proxy form. Alternatively, you may appoint a proxy electronically via www.shareview.co.uk, www.sharevote.co.uk or, if you hold your shares in CREST, via the CREST system. Notice of your appointment of a proxy should reach the company's registrar, Equiniti, by 2.30pm on Tuesday 5 May 2015. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

A resolution to receive and adopt the Directors' Report and the Financial Statements for 2014 is included in the ordinary business of the AGM.

Resolutions are also proposed for the formal election of Sir Philip Hampton, our Chairman Designate, and Urs Rohner as Non-Executive Directors. They were appointed by the Board since the last AGM and their biographies are set out in the explanatory notes to this document.

In accordance with the UK Corporate Governance Code, all of the other Directors of the company will stand for re-election to the Board, with the exception of Tom de Swaan who is retiring from the Board after nine years' service and Jing Ulrich who will be retiring from the Board after three years' service. I will also be retiring from the Board at the conclusion of the AGM, after 10 years as Chairman.

In addition, resolutions are proposed to retain a notice period of 14 clear days for general meetings other than an AGM and to omit from the published copies of the company's 2015 Annual Report the name of the individual who signs the auditors' reports on behalf of the company's auditors. A further resolution is proposed in relation to the GSK Share Value Plan (Plan) for employees below Board and CET level. Shareholder approval is being sought for this Plan as the company would like the flexibility to satisfy awards under the Plan using newly issued and/or Treasury shares.

Explanatory notes for the business of the AGM are given on pages 12 to 19 of this document.

Recommendation

Your Board believes that the resolutions contained in the Notice of Meeting are in the best interests of the company and shareholders as a whole and recommends that you vote in favour of them, as your Directors intend to do in respect of their beneficial shareholdings.

Yours sincerely,

Sir Christopher Gent
Chairman

Adoption of FRS 101 – 'Reduced Disclosure Framework'

Following the publication of FRS 100 'Application of Financial Reporting Requirements' by the Financial Reporting Council, the company is required to change its accounting framework for its entity financial statements for its financial year commencing 1 January 2015. The Directors consider that it is in the best interests of the Group for the company to adopt FRS 101 'Reduced Disclosure Framework'. No disclosures in the current UK GAAP financial statements would be omitted on adoption of FRS 101. A shareholder or shareholders holding in aggregate 5% or more of the total allotted shares in the company may serve objections to the use of the disclosure exemptions on the company in writing, to its registered office, not later than 30 June 2015.

Explanatory notes to the business of the AGM

Ordinary Business

Each of these resolutions will be proposed as an ordinary resolution. This means that for each of the resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 1 – To receive and adopt the Directors' Report and the Financial Statements for 2014

For each financial year, the Directors must present the Directors' Report, the audited Financial Statements and the independent auditors' reports to shareholders at a general meeting.

Resolution 2 – To approve the Annual Report on Remuneration

In accordance with section 439 of the Companies Act 2006, resolution 2 seeks shareholder approval for the Annual Report on Remuneration (the "Report") which gives details of the implementation of the company's Remuneration Policy (the "Policy"). The Report gives details of the payments and share awards made to directors in connection with their performance and that of the company during the year ended 31 December 2014, and can be found on pages 97 to 118 of the Annual Report. The Report is prepared annually and is subject to an advisory shareholder vote, and the Directors' entitlement to remuneration is not conditional on this resolution being passed.

The Policy which sets out the company's policy on directors' remuneration, including the setting of directors' pay and the granting of share awards can be found on pages 117 to 126 of the 2013 Annual Report and at www.gsk.com in the Investors section. The company presented the Policy to shareholders for approval, by a vote which was binding on the company, at the 2014 AGM. Over 97% of the votes cast on the resolution were in favour of the Policy and that approval remains effective for a period of three years from the 2014 AGM. The company is only able to make payments within the limits the Policy allows, until such time that an amended Policy is approved by shareholders.

The company's auditors, PricewaterhouseCoopers LLP, have audited those parts of the Report required to be audited and their report may be found on pages 131 to 135 of the Annual Report.

Resolutions 3-15 – To elect and re-elect Directors

The company's Articles of Association require any Director newly appointed to the Board to retire at the first AGM after their appointment. The Board recommends that you elect as Non-Executive Directors Sir Philip Hampton and Urs Rohner who were appointed to the Board on 1 January 2015. The Board has determined that Sir Philip Hampton and Urs Rohner are independent Non-Executive Directors in accordance with the UK Corporate Governance Code.

Sir Philip, 61, has been Chairman of The Royal Bank of Scotland Group plc since February 2009. He was previously Chairman of J Sainsbury plc and Group Finance Director at Lloyds TSB Group, BT Group plc, BG Group plc, British Gas and British Steel plc. Until 2009, Sir Philip was Chairman of UK Financial Investments Limited, which manages the UK Government's shareholdings in banks. He is currently the Senior Independent Director of Anglo American Plc, Chairman of their Remuneration Committee and member of their Audit Committee.

Urs Rohner is currently Chairman of Credit Suisse Group AG, one of the world's leading financial services companies. His appointment as Chairman of Credit Suisse in 2011 followed a number of senior positions at the company including General Counsel and Chief Operating officer. Before joining Credit Suisse in 2004, he was Chief Executive Officer and Chairman for four years at ProSiebenSat.1, one of the largest independent media corporations in Europe. This followed a number of years in private practice at major law firms in Switzerland and the USA.

The Board considers that Sir Philip brings to the company extensive business experience, which includes chairing major FTSE 100 companies, and that he will provide the guidance and oversight to take GSK's business forward. The Board considers that Urs Rohner's broad

business knowledge and experience of running a global company will enable him to make a significant contribution to the Board and hence the future success of GSK.

In accordance with the UK Corporate Governance Code, all of the other Directors will stand for re-election to the Board, with the exception of Sir Christopher Gent, Tom de Swaan and Jing Ulrich, who are retiring after having served ten, nine and three years on the Board respectively.

| Sir Deryck Maughan | 2005 |

Following a formal evaluation process, the Chairman is satisfied that each of the Directors standing for re-election continues to perform effectively and demonstrates commitment to his or her role, including commitment of time to Board and Committee meetings and his or her other duties.

Professor Sir Roy Anderson, Dr Stephanie Burns, Sir Deryck Maughan and Dr Daniel Podolsky have each served as Non-Executive Directors for more than six years and their performance has been subject to a rigorous review. The Board has concluded that they continue to be effective Non-Executive Directors. Sir Deryck has served for more than nine years, but has kindly agreed to serve on the Board for up to a further year before stepping down at the 2016 AGM.

Led by the Senior Independent Director, the Non-Executive Directors met without the Chairman present to consider the Chairman's performance. The Senior Independent Director and other Non-Executive Directors are satisfied that the Chairman continued to perform effectively and demonstrates commitment to his role, including commitment of time to Board and Committee meetings and his other duties. Sir Christopher will retire from the Board at the end of the AGM and will be replaced as Chairman by Sir Philip Hampton.

All the Non-Executive Directors have letters of appointment rather than service contracts. Sir Andrew Witty, Simon Dingemans and Dr Moncef Slaoui have service contracts with notice periods of 12 months. The Non-Executive Directors' letters of appointment and Executive Directors' service contracts are available for inspection as specified in Note (vii).

Biographical details of all the Directors are given in the company's 2014 Annual Report. In addition, current biographical details for each Director are maintained on www.gsk.com.

Resolutions 16 and 17 – To authorise the Audit & Risk Committee to re-appoint PricewaterhouseCoopers LLP as auditors to the company and to determine their remuneration

At every general meeting at which accounts are presented to shareholders, the company is required to appoint auditors to serve from the end of the meeting until the next such meeting. PricewaterhouseCoopers LLP (PwC) have indicated that they are willing to continue as the company's auditors for a further year. The Audit & Risk Committee has reviewed PwC's effectiveness and the effectiveness of their audit process and recommends their re-appointment. You are asked to authorise the Audit & Risk Committee to re-appoint them and, following normal practice, to authorise the Audit & Risk Committee to determine their remuneration. Details of the company's policy with regard to the appointment of auditors, tendering the audit contract, the allocation of non-audit work and details of work undertaken by the auditors and their remuneration are given in our 2014 Annual Report which can be viewed on www.gsk.com.

Special Business

For a resolution proposed as a special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 18 – Donations to political organisations and political expenditure (ordinary resolution)

With effect from 1 January 2009, to ensure a consistent approach to political contributions across the GlaxoSmithKline group, the company introduced a global policy to voluntarily stop making political donations.

The Act requires companies to obtain shareholder approval before they can make donations to EU political parties, other political organisations or independent election candidates, or incur EU political expenditure. The company does not make and does not intend to make donations to political parties, other political organisations or independent election candidates, nor does it incur, or intend to incur, EU political expenditure, within the ordinary meaning of those words. However, the definitions of political donations, political expenditure and political organisations used in the Act are very wide. In particular, the definition of political organisations may extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the company and its subsidiaries might wish to support. As a result, the definitions may cover legitimate business activities not in the ordinary sense considered to be political donations or political expenditure. Such activities are not designed to support any political party or independent election candidate or to influence public support for any political party or independent election candidate. The authority which the Board is requesting is a precautionary measure to ensure that the company and its subsidiaries do not inadvertently breach the Act, and will be capped at £100,000 for the next year.

No payments have been made under previous authorities given in this regard.

Resolution 19 – Authority to allot shares (ordinary resolution)

This resolution gives the Directors authority to allot unissued share capital with a nominal value of up to £405,360,976 (representing 1,621,443,904 Ordinary Shares of 25 pence each) which, as at 26 February 2015, being the latest practicable date prior to the publication of this Notice, represented 33.33% of the issued share capital of the company (excluding Treasury shares).

The authority sought under this resolution will expire on the earlier of close of business on 30 June 2016 (being the last date by which the company must hold an AGM in 2016) and the conclusion of the AGM to be held by the company in 2016.

The Directors have no present intention to exercise the authority sought under this resolution, except to fulfil the company's obligations under its executive and employee share plans.

Resolution 20 – Disapplication of pre-emption rights (special resolution)

This resolution gives the Directors authority to allot Ordinary Shares (including any Ordinary Shares which the company has purchased and elected to hold as Treasury shares) for cash without first offering them to existing shareholders in proportion to their existing shareholdings and is limited to allotments or sales in connection with rights issues or other pre-emptive offers, or otherwise up to a maximum nominal amount of £60,810,227 (representing 243,240,908 Ordinary Shares of 25 pence each), which, as at 26 February 2015, being the latest practicable date prior to the publication of this Notice, represented just less than 5% of the company's issued share capital (excluding Treasury shares). In respect of this aggregate nominal amount, the Directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period, where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

The authority sought under this resolution will expire on the earlier of close of business on 30 June 2016 (being the last date by which the company must hold an AGM in 2016) and the conclusion of the AGM to be held by the company in 2016. This authority is granted under sections 570 and 573 of the Act and is a standard authority taken by most listed companies each year.

The company's current intention is to satisfy the exercise of outstanding options by the issue of new Ordinary Shares or by using Ordinary Shares held in Treasury.

Resolution 21 – Purchase of own shares by the company (special resolution)

This resolution seeks authority for the company to make market purchases of its own Ordinary Shares. In certain circumstances it may be advantageous for the company to purchase its own shares and the Directors consider it to be desirable for this general authority to be available to provide flexibility in the management of the company's capital resources. Purchases of the company's own shares will be made only if to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally. You are asked to consent to the purchase by the company of up to a maximum of 486,481,816 Ordinary Shares, which, as at 26 February 2015, being the latest practicable date prior to the publication of this Notice, represented just less than 10% of the company's issued share capital (excluding Treasury shares). The authority sought under this resolution will expire on the earlier of close of business on 30 June 2016 (being the last date by which the company must hold an AGM in 2016) and the conclusion of the AGM to be held by the company in 2016. The maximum price which may be paid for an Ordinary Share will be the higher of (i) 105% of the average middle market quotations for the five business days preceding the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid at the time the purchase is carried out. The minimum price which may be paid for an Ordinary Share is its nominal value of 25 pence. The company may either retain any of its own shares which it has purchased as Treasury shares with a view to possible re-issue at a future date, use them to satisfy awards under employee share plans or cancel them. Holding the shares as Treasury shares gives management the ability to re-issue them quickly and cost-effectively and would provide the company with additional flexibility in the management of its capital base.

In any event, the company confirms that it does not currently intend to make any further market purchases in 2015. This authority is being sought to preserve flexibility to do so should there be a change in circumstances. The company will review the potential for future share buy backs from 2016 in line with its usual annual cycle and subject to its current return and ratings criteria.

The total number of options over Ordinary Shares outstanding as at 26 February 2015, being the latest practicable date prior to the publication of this Notice, was approximately 44 million, representing approximately 0.91% of the issued share capital (excluding Treasury shares). If the authority to buy back shares under this resolution was exercised in full, the total number of options to subscribe for Ordinary Shares outstanding as at 26 February 2015 would, assuming no further Ordinary Shares are issued, represent approximately 1.01% of the issued share capital (excluding Treasury shares).

Resolution 22 – Exemption from statement of the name of the senior statutory auditor in published copies of the auditors’ reports (ordinary resolution)

The Act requires that each and every copy of the auditors’ reports to the company’s shareholders on the Annual Report, and other auditable reports, which are published by or on behalf of the company, must state, where the company’s auditors are a firm, the name of the person who signed them in his or her own name as senior statutory auditor in relation to the audit, for and on behalf of the auditors. However, the Act provides an exemption from this requirement if the company considers on reasonable grounds that statement of the individual’s name would create, or be likely to create, a serious risk that he or she or any other person would be subject to violence or intimidation.

For many years, the company and its legacy companies, together with its employees, have been the focus of protests by various animal protection groups, some of which have engaged in aggressive, abusive and hostile acts. The Directors therefore believe that it is appropriate that the company should seek to utilise the confidentiality afforded to the senior statutory auditor of the company’s auditors under the Act. This resolution therefore seeks shareholder approval for the auditors’ reports for the financial year ending 31 December 2015 to omit the name of the senior statutory auditor. The company would give notice to the Secretary of State in the appropriate format if this resolution is passed.

Resolution 23 – Reduced notice of a general meeting other than an AGM (special resolution)

This resolution seeks to renew an authority granted at last year’s AGM to allow the company to call general meetings other than an AGM on 14 clear days’ notice. Changes made to the Act by The Companies (Shareholders’ Rights) Regulations 2009 (the Shareholders’ Rights Regulations) increase the notice period required for general meetings of the company to 21 days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. AGMs will continue to be held on at least 21 clear days’ notice. Before the Shareholders’ Rights Regulations came into force on 3 August 2009, the company was able to call general meetings other than an AGM on 14 clear days’ notice without obtaining such shareholder approval. Resolution 25 seeks to preserve the ability to do this. If passed, this resolution will enable the company to retain maximum flexibility to seek shareholder approval for any future change or transaction that may require such approval. The resolution will be effective until the company’s next AGM, when it is intended that a similar resolution will be proposed.

The company confirms that it will give as much notice as practicable when calling a general meeting and that it does not intend to use this authority as a matter of routine. The company envisages that this authority would be used (in limited circumstances for time-sensitive matters) where a shorter notice period would be in the Board’s opinion be to the advantage of shareholders as a whole, and where flexibility is merited by the nature of the business of the meeting and noting also the recommendations of the UK Corporate Governance Code with which the company would intend to comply.

Shareholders should note that if the company calls a general meeting on less than 21 clear days’ notice, the company will provide a means for all shareholders to vote electronically for that meeting.

Resolution 24 – Approval of the GlaxoSmithKline Share Value Plan

1 Outline

Shareholders are asked to approve the rules of the GlaxoSmithKline Share Value Plan (the “Plan”).

The Plan has been operated since 2009 (and a predecessor version of this since 2004) for senior employees below the Corporate Executive Team (“CET”) level. Shareholder approval of the Plan is now being sought as the company would like the flexibility to satisfy awards under the Plan using newly issued shares and/or Treasury shares. There continues to be no intention to make awards to Executive Directors or CET members under the Plan.

The principal terms of the Plan are set out below.

The full text of the Plan will be available for inspection from the date of sending this Notice until the close of the AGM at the offices of Slaughter and May, One Bunhill Row, London EC1Y 8YY and at the company’s registered office, 980 Great West Road, Brentford, Middlesex TW8 9GS. The Plan rules will also be available at the place of the AGM for at least 15 minutes before and during the meeting.

2 Operation

The Board, or a duly authorised committee of the Board (which may be the Remuneration Committee), is responsible for granting awards and operating the Plan. Awards may take the form of nil cost options or conditional awards of shares.

3 Eligibility

Employees of the company and any subsidiaries of the company (as designated by the Directors) are eligible to participate in the Plan. However, awards may not be granted under the Plan to Executive Directors or members of the CET.

4 Timing of operation

Awards will normally be granted under the Plan within 42 days of the announcement of the company’s results for any period but may be granted at other times if the Board considers the circumstances to be exceptional. However, at all times the grant of awards will be subject to the terms of the Model Code and the company’s share dealing code.

5 Grant of awards

From the date of shareholder approval of the Plan, awards (including awards outstanding as at the date of shareholder approval) may be satisfied with newly issued shares, Treasury shares or shares purchased in the market in conjunction with an employee benefit trust established by the company.

At the discretion of the Board, awards may be granted subject to the participant agreeing to satisfy the employer’s social security liabilities arising on the award.

6 Vesting of awards

Awards will normally vest on or around the third anniversary of the date on which they were granted, or such other date as the Board may determine. On vesting, participants will acquire the number of shares subject to the award and may also receive additional shares (or an equal cash amount) which reflect reinvested dividends that would have been paid on the vested portion of the award between grant and vesting.

Under the Plan, the Board has discretion to lapse an unvested award if it considers that a participant has engaged in conduct which is contrary to the legitimate expectations of the company. In addition, the company operates a policy on post-vesting clawback. The current policy, which may be amended from time to time, is described in the company’s Annual Report.

7 Conditions

The Board may, when granting an award, impose condition(s) (which may be related to the performance of the company or the Group) which must be satisfied before an award can vest. The Board may change a condition if there is a situation which causes it to consider that the changed condition would be fairer. It is not currently intended that vesting of awards will be subject to performance or other conditions, although the number of shares awarded to any participant is currently linked to his or her individual performance rating for the previous financial year.

8 Individual limits

Except for awards granted in exceptional circumstances (including for recruitment and retention purposes), the aggregate value (at the time of the grant) of shares subject to all awards granted to a participant under the Plan in any year will not exceed 300% of the participant's base salary.

In applying the individual limit, no account will be taken of shares representing notional dividends on awards or shares which have been awarded to ensure that a participant is not financially disadvantaged if he agrees to satisfy the employer's social security liability in relation to his award.

9 Dilution limits

In any 10 year period, not more than 10% of the issued Ordinary Share capital of the company may be issued or issuable under the Plan and all other employee share plans adopted by the company.

In addition, in any 10 year period, not more than 5% of the issued Ordinary Share capital of the company may be issued or issuable under the Plan and all other discretionary employee share plans adopted by the company.

These limits do not include awards and options which have lapsed or been surrendered.

So long as this is required under the guidelines of the Investment Association, the company will include in this calculation any Treasury shares used to satisfy awards and options granted under the Plan towards these.

10 Leaving employment

If a participant leaves employment due to death, retirement, redundancy, ill-health, injury, disability, or the sale or transfer of the participant's employing company or business, awards will generally vest at the point of leaving. In certain circumstances, awards may be subject to delayed vesting. The number of shares in respect of which an award vests will normally be reduced to reflect the proportion of the period between the award date and the normal vesting date which has elapsed at the date of leaving (rounded up to the nearest whole year) and will lapse as to the balance.

If a participant leaves employment for any other reason, awards will normally lapse.

11 Change of control, de-merger or other reorganisations

Generally, awards will vest on a change of control. The Board has the discretion to allow or require rollover of awards on a change of control or other corporate reorganisation. On a de-merger, if the Board so decides, awards may be adjusted or allowed to vest.

12 Variation in share capital

Awards may be adjusted at the discretion of the Board following any rights issue, special dividend or variation in the share capital of the company.

13 Issue of shares

Any Ordinary Shares issued under the Plan will rank equally with shares of the same class in issue on the date of allotment except in respect of rights arising by reference to a prior record date.

14 Amendments

The Board may amend the Plan as it considers appropriate. However, shareholder approval will be required to amend certain provisions to the advantage of participants. These provisions relate to: eligibility, individual and plan limits, adjustment of awards on a variation in the company's share capital, and the amendment powers. Shareholder approval is not required for changes that are minor in nature or for changes intended to benefit the administration of the Plan, or to comply with or take account of existing or proposed legislation or any changes in legislation or to secure favourable tax treatment for the company, members of its Group or participants.

15 Other features

Awards granted under the Plan are not pensionable and are not generally transferable (except in the case of death).

16 Termination

The Plan may be terminated by the Board at any time. Awards may not be granted after the tenth anniversary of the approval of the Plan by shareholders.

Directors

The interests of Directors and their connected persons in the issued share capital of the company are given in the 2014 Annual Report.

The rules about the appointment and replacement of Directors are contained in the company's Articles of Association. The company's Articles must be approved by shareholders in accordance with the legislation in force from time to time and may be amended by a special resolution of the members.

The Articles provide that Directors may be appointed by an ordinary resolution of the members or by a resolution of the Directors, provided that, in the latter instance, a Director appointed in this way retires at the first AGM following his or her appointment.

The Articles also require that at every AGM certain of our current Directors retire by rotation and detail the circumstances in which and how they may be re-elected. However, the Board has decided that all Directors who wish to stand for re-election will retire at the AGM on 7 May 2015 in accordance with the UK Corporate Governance Code. The company's members may remove a Director by passing an ordinary resolution of which special notice has been given or by passing a special resolution.

A Director will automatically cease to be a Director if (i) he or she becomes bankrupt or compounds with his or her creditors generally, (ii) he or she is or has been suffering from mental or physical ill health and the Board resolves that his or her office is vacated, (iii) he or she has missed Directors' meetings for a continuous period of six months without permission and the Board resolves that he or she shall cease to be a Director, (iv) he or she is prohibited from being a Director by law, (v) he or she ceases to be a Director by virtue of UK companies legislation or is removed from office pursuant to the company's Articles of Association, (vi) he or she resigns, (vii) he or she offers to resign and the Board accepts that offer, or (viii) his or her resignation is requested by all of the other Directors and all of the other Directors are not fewer than three in number.

The powers of the Directors are determined by UK legislation and the company's Articles of Association, available on www.gsk.com. As provided in those Articles, the Directors may exercise all the company's powers provided that the Articles or applicable legislation do not stipulate that any such powers must be exercised by the members. The Directors have been authorised to issue and allot Ordinary Shares, and have authority to make market purchases of shares. Renewal of these authorities is sought from shareholders at each AGM. Any shares purchased may be cancelled or held as Treasury shares.
