(incorporated in England and Wales with limited liability under registered number 3888792)

On 4th December, 2001 GlaxoSmithKline Capital Inc. (“**GSK Capital Inc.**”) and GlaxoSmithKline Capital plc (“**GSK Capital plc**”) established a Euro Medium Term Note Programme (the “**Programme**”). On 16th May, 2003 GlaxoSmithKline Capital Kabushiki Kaisha (“**GSK Capital K.K.**”) was added as an issuer under the Programme. On 13th May, 2004 GlaxoSmithKline plc (“**GSK plc**”) was added as an issuer under the Programme. GSK Capital K.K. ceased to be an issuer under the Programme on 9th March, 2007 and GSK Capital Inc. ceased to be an issuer under the Programme on 5th August, 2013. On 3rd August, 2017 GSK Capital K.K. (“**GSK Capital K.K.**”) was added as an issuer under the Programme. This Prospectus supersedes all previous prospectuses relating to the Programme. Any Notes (as defined below) issued under the Programme on or after the date of this Prospectus are issued subject to the provisions described herein. This does not affect any Notes already in issue. Pursuant to the Programme, GSK plc, GSK Capital plc and GSK Capital K.K. (each an “**Issuer**” and together, the “**Issuers**”) may from time to time issue notes (the “**Notes**”) denominated in any currency agreed between the relevant Issuer and the relevant Dealer (as defined below).

The payment of all amounts owing in respect of Notes issued by GSK Capital plc and GSK Capital K.K. (“**Guaranteed Notes**”) will be unconditionally and irrevocably guaranteed by GSK plc (the “**Guarantor**”) under the terms of a trust deed dated 4th December, 2001 (as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) (such guarantee, the “**Guarantee**”).

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed £20,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase at any time.

Notes may be issued on a continuing basis to one or more of the Dealers specified on pages 93 and 94 of this Prospectus and any additional Dealer appointed under the Programme from time to time by the relevant Issuer (each a “**Dealer**” and together the “**Dealers**”), which appointment may be for a specific issue or on an ongoing basis. References in this Prospectus to the “**relevant Dealer**” shall, in the case of an issue of Notes being (or intended to be) purchased by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

In relation to each separate issue of Notes, the final offer price and amount of such Notes will be determined by the relevant Issuer and the relevant Dealers in accordance with prevailing market conditions at the time of the issue of the Notes and will be set out in the applicable Final Terms (as defined below).

Application will be made to the Financial Conduct Authority in its capacity as competent authority (the “**FCA**”) under the Financial Services and Markets Act 2000, as amended (the “**FSMA**”) for Notes issued under the Programme during the period of 12 months from the date of this Prospectus to be admitted to the official list of the FCA (the “**Official List**”) and application will be made to the London Stock Exchange plc (the “**London Stock Exchange**”) for such Notes to be permitted to be admitted to trading on the London Stock Exchange’s Regulated Market. References in this Prospectus to Notes being “**listed**” (and all related references) shall mean that such Notes have been admitted to trading on the London Stock Exchange’s Regulated Market and have been admitted to the Official List. The London Stock Exchange’s Regulated Market is a regulated market for the purposes of Directive 2014/65/EU, as amended (“**MiFID II**”). All Notes to be issued under the Programme are intended to be listed.

This Prospectus has been approved by the FCA, as competent authority under Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”). The FCA only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuers, the Guarantor or of the quality of the Notes that are the subject of this Prospectus. Investors should make their own assessment as to the suitability of investing in any such Notes.

This Prospectus is valid for 12 months from its date in relation to Notes which are to be admitted to trading on a regulated market in the European Economic Area (“**EEA**”) or in the United Kingdom and/or offered to the public in the EEA and/or in the United Kingdom other than in circumstances where an exemption is available under Article 1(4) and/or 3(2) of the Prospectus Regulation. The obligation to supplement this Prospectus in the event of a significant new factor, material mistake or material inaccuracy does not apply when this Prospectus is no longer valid.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche (as defined under “*Terms and Conditions of the Notes*”) of Notes will be set out in (i) final terms (the “**Final Terms**”) which will be delivered to the FCA and the London Stock Exchange on or before the date of issue of the Notes of such Tranche and will be so delivered when otherwise required or (ii) in a separate prospectus specific to such Tranche of Notes (the “**Drawdown Prospectus**”). In the case of a Tranche of Notes which is subject to a Drawdown Prospectus, each reference in this Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as reference to such information being specified or identified in the relevant Drawdown Prospectus unless the context requires otherwise.

The relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and the Trustee (as defined herein) may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes admitted to the Official List only) a further prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Guarantor has a senior unsecured debt rating of A2, negative outlook by Moody’s France SAS (“**Moody’s**”) and A, by S&P Global Europe Limited (“**Standard & Poor’s**”). Each of Moody’s and Standard & Poor’s is established in the European Union (the “**EU**”) and is registered under Regulation (EC) No. 1060/2009, as amended or superseded (the “**CRA Regulation**”). Tranches of Notes issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms and such ratings will not necessarily be the same as the ratings assigned to the Programme. The Final Terms will disclose whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be issued by a credit rating agency established in the EU or in the United Kingdom and registered under the CRA Regulation. A security rating is not a recommendation to buy, or sell, or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning credit rating agency.

Factors which may affect the ability of the Issuers or the Guarantor to fulfil their obligations under the Programme and factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are set out on pages 15 to 25.

- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of any Issuer and/or the Guarantor, the Trustee or any of the Dealers to any person to subscribe for or to purchase any Notes.

The Notes and the Guarantee have not been and will not be registered under the United States Securities Act of 1933, as amended, (the “**Securities Act**”) and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (“**Regulation S**”)) (see “*Subscription and Sale*”).

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended) (the “**Financial Instruments and Exchange Act**”) and may not be offered or sold directly or indirectly in Japan or to, or for the benefit of, any resident of Japan (which term as used in this paragraph means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, regulations and governmental guidelines of Japan. Where the Issuer is GSK Capital K.K., the Notes may be subject to the Special Taxation Measures Act of Japan (Act No. 26 of 1957, as amended) (the “**Special Taxation Measures Act**”) and any other relevant tax law in Japan and interest payments on the Notes may be subject to Japanese withholding tax as further described in the Taxation section herein.

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. None of the Issuers, the Guarantor, the Trustee or the Dealers represents that this Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by any Issuer, the Guarantor, the Trustee or the Dealers which is intended to permit a public offering of any Notes or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, the EEA, the United Kingdom, Belgium, Singapore and Japan (see “*Subscription and Sale*”).

PRIIPs / IMPORTANT – EEA AND UNITED KINGDOM RETAIL INVESTORS – If the Final Terms in respect of any Notes includes a legend entitled “Prohibition of Sales to EEA and United Kingdom Retail Investors”, the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2016/97/EU (the “**Insurance Distribution Directive**”) where that customer would not qualify as a

professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014, as amended (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the United Kingdom has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the United Kingdom may be unlawful under the PRIIPs Regulation.

MiFID II product governance / target market – The Final Terms in respect of any Notes may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of such Notes and which channels for distribution of such Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels. A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593, as amended (the “**MiFID Product Governance Rules**”), any Dealer subscribing for any such Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules. The Issuers make no representation or warranty as to any manufacturer’s or distributor’s compliance with the MiFID Product Governance Rules.

Amounts payable on Floating Rate Notes may be calculated by reference to one of LIBOR, EURIBOR or SONIA (as specified in the relevant Final Terms) provided by the ICE Benchmark Administration Limited, the European Money Markets Institute and the Bank of England, respectively. As at the date of this Prospectus, the administrators of LIBOR and EURIBOR appear in the register of administrators and benchmarks established and maintained by the European Securities and Markets Authority (“**ESMA**”) under Article 36 of Regulation (EU) No. 2016/1011 of the European Parliament and of the Council of 8th June, 2016, as amended (the “**Benchmarks Regulation**”). As far as the Issuers are aware, the transitional provisions in Article 51 of the Benchmarks Regulation apply, such that, as at the date of this Prospectus, SONIA does not fall within the scope of the Benchmarks Regulation by virtue of Article 2 of that regulation.

The Notes and the Guarantee have not been approved or disapproved by the U.S. Securities and Exchange Commission, any state securities commission in the United States, or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the events of the offering of the Notes and the Guarantee or the accuracy or adequacy of this Prospectus. Any representation to the contrary is a criminal offence in the United States.

Notification under Section 309B(1)(c) of the Securities and Futures Act (Chapter 289) of Singapore, as modified or amended from time to time (the “**SFA**”) – Unless otherwise stated in the Final Terms in respect of any Notes, all Notes issued or to be issued under the Programme shall be prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

All references in this document to “**Sterling**” and “**£**” refer to pounds sterling, references to “**euro**”, “**EUR**” and “**€**” refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the EU, as amended, references to “**U.S.\$**”, “**USD**” and “**U.S. Dollars**” are to United States dollars and references to “**Yen**” and “**¥**” are to Japanese Yen.

In connection with the issue of any Tranche of Notes, one or more relevant Dealer(s) (if any) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in connection with such issue of Notes may over-allot such Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after

the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules. Any loss or profit sustained as a consequence of any such over-allotment or stabilising shall, as against the Issuer, be for the account of the Stabilising Manager(s).

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, each Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. An overview of the Programme and the Terms and Conditions of the Notes appears below. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under “*Form of the Notes*”.

The Notes issued by any Issuer will not constitute direct obligations of any of the other two Issuers.

This Prospectus and any supplement will only be valid for admitting Notes to the Official List and to trading on the London Stock Exchange’s Regulated Market, or on any other or further stock exchanges or markets in the EEA or in the United Kingdom agreed between the Issuer and any relevant Dealer in relation to a Series of Notes, during the period of 12 months from the date of this Prospectus in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed £20,000,000,000 or its equivalent in other currencies. For the purpose of calculating the Sterling equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the Sterling equivalent of Notes denominated in another Specified Currency (as specified in the applicable Final Terms in relation to the relevant Notes and described under “*Form of the Notes*”) shall be determined, at the discretion of the relevant Issuer, either as of the date on which agreement is reached for the issue of such Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, in each case on the basis of the spot rate for the sale of the Sterling against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the relevant Issuer on the relevant day of calculation; and
- (b) the Sterling equivalent of Zero Coupon Notes (as specified in the applicable Final Terms in relation to the relevant Notes and described under “*Form of the Notes*”) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the relevant Issuer for the relevant issue.

RISK FACTORS

This section includes known material or principal risks that may affect the ability of the Issuers and Guarantor to fulfil their obligations under Notes issued under the Programme.

In addition, factors which (although not exhaustive) could be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Prospective investors should note that the inability of the Issuers or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for reasons which may not be considered significant by the Issuers and the Guarantor based on the information currently available to them, or which they may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision. Prospective investors should also consult their own financial and legal advisers about risks associated with an investment in any Notes issued under the Programme and the suitability of investing in such Notes in light of their particular circumstances.

FACTORS THAT MAY AFFECT EACH ISSUER'S AND THE GUARANTOR'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER NOTES ISSUED UNDER THE PROGRAMME OR THE GUARANTEE, AS APPLICABLE

There are risks and uncertainties relevant to the Group's business, financial condition and results of operations that may affect the Group's performance and ability to achieve its objectives. The factors below are among those that the Group thinks could cause its actual results to differ materially from expected and historical results. There are other risks and uncertainties not currently known to the Group or which are deemed immaterial.

References in this section "*Risk Factors*" to "*the Financial Statements*" mean the financial statements in the Group's Annual Report 2019.

Risks related to the Group's business activities and industry

Failure to secure adequate patent protection for the Group's products.

Patent rights are awarded to protect innovation and play an important role in providing the Group with a competitive advantage in the market for a limited period of time. Any loss of patent protection in a market for the Group's products developed through the Group's research and development, including reducing the term, availability or scope of patent rights or compulsory licensing (in which a government forces a manufacturer to license its patents for specific products to a competitor), could materially and adversely affect the Group's financial results in that market. Absence of adequate patent or data exclusivity protection, which could lead to, for example, competition from manufacturers of generic or biosimilar pharmaceutical products, could limit the opportunity to rely on such markets for future sales growth for the Group's products, which could also materially and adversely impact the Group's financial results. Following expiration of certain intellectual property rights, a generic or biosimilar manufacturer may lawfully produce a generic version of a product. Introduction of generic products typically leads to a rapid and dramatic loss of sales and reduces the Group's revenues and margins for its proprietary products.

Failure to appropriately collect, review, follow up, or report adverse events from all potential sources, and to act on any relevant findings in a timely manner.

The risk impact has the potential to compromise the Group's ability to conduct robust safety signal detection and interpretation and to ensure that appropriate decisions are taken with respect to the risk/benefit profile of the Group's products, including the completeness and accuracy of product labels and the pursuit of additional studies/analyses, as appropriate. This could lead to potential harm to patients, reputational damage, product liability claims or other litigation, governmental investigation, regulatory action such as fines, penalties or loss of product authorisation.

Pre-clinical and clinical trials are conducted during the development of investigational pharmaceutical, vaccine and consumer healthcare products to determine the safety and efficacy of the products for use by humans. Notwithstanding the efforts the Group makes to determine the safety of its

products through appropriate pre-clinical and clinical trials, unanticipated side effects may become evident only when products are widely introduced into the marketplace. Questions about the safety of the Group's products may be raised not only by the Group's ongoing safety surveillance and post-marketing studies but also by governmental agencies and third parties that may analyse publicly available clinical trial results. Constant vigilance and flexibility is required in order to respond to a varied regulatory environment which continues to evolve and diverge globally.

The Group is currently a defendant in a number of product liability lawsuits, including class actions, that involve significant claims for damages related to the Group's products. Litigation, particularly in the United States, is inherently unpredictable. Class actions that seek to sweep together all persons who take the Group's products increase the potential liability. Claims for pain and suffering and punitive damages are frequently asserted in product liability actions and, if allowed, can represent potentially open-ended exposure and thus, could materially and adversely affect the Group's financial results.

Failure to engage in commercial activities that are consistent with the letter and spirit of the law, industry, or the Group's requirements relating to marketing and communications about its medicines and associated therapeutic areas; appropriate interactions with healthcare providers ("HCPs") and patients; and legitimate and transparent transfer of value.

Failure to manage risks related to commercial practices could materially and adversely affect the Group's ability to deliver its strategy and long-term priorities. Failure to comply with applicable laws, rules and regulations may result in governmental investigation, regulatory action and legal proceedings brought against the Group by governmental and private plaintiffs which could result in government sanctions, and criminal and/or financial penalties. Failure to provide accurate and complete information related to the Group's products may result in incomplete awareness of the risk/benefit profile of the Group's products and possibly suboptimal treatment of patients and consumers.

Any practices that are found to be misaligned with the Group's values could also result in reputational harm and dilute trust established with external stakeholders.

The Group continues to evolve its business operations (including acquisitions and joint ventures) to operate on a global basis in an industry that is both highly competitive and highly regulated. The Group's competitors may make significant product innovations and technical advances and may intensify price competition. In light of this competitive environment, continued development of commercially viable new products and the development of additional uses for existing products that reflect insights which help ensure those products address the needs of patients/consumers, HCPs, and payers are critical to achieve the Group's strategic objectives.

As other pharmaceutical, vaccine and consumer companies, the Group faces downward price pressure in major markets, declining emerging market growth, rapidly evolving digital landscape and negative foreign exchange impact.

Developing new pharmaceutical, vaccine and consumer healthcare products is a costly, lengthy and an uncertain process. A product candidate may fail at any stage, including after significant economic and human resources have been invested. The Group's competitors' products or pricing strategies or any failure on the Group's part to develop commercially successful products, or to develop additional uses for existing products, could materially and adversely affect the Group's ability to achieve its strategic objectives.

The Group is committed to the ethical and responsible commercialisation of its products to support its purpose to improve the quality of human life by enabling people to do more, feel better, and live longer. To accomplish this purpose, the Group engages the healthcare community in various ways to provide important information about the Group's medicines.

Promotion of approved products seeks to ensure that HCPs globally have access to information they need, that patients and consumers have access to the information and products they need and that products are prescribed, recommended or used in a manner that provides the maximum healthcare benefit to patients and consumers. The Group is committed to communicating information related to its approved products in a responsible, legal, and ethical manner.

Failure to maintain adequate governance and oversight over third party relationships and failure of third parties to meet their contractual, regulatory, confidentiality or other obligations.

Failure to adequately manage third party relationships could result in business disruption and exposure to risks ranging from sub-optimal contractual terms and conditions, to severe business and legal sanctions and/or significant reputational damage. Any of these consequences could materially and adversely affect the Group's business operations and financial results.

Third parties are critical to the Group's business delivery and are an integral part of the solution to meeting the Group's business objectives. The Group relies on third parties, including suppliers, advisors, distributors, individual contractors, licensees, and other pharmaceutical and biotechnology collaboration partners for discovery, manufacture, and marketing of the Group's products and for supporting other important business processes.

These business relationships present a material risk. For example, the Group shares critical and sensitive information such as marketing plans, clinical data, and employee data with specific third parties who are conducting the relevant outsourced business activities. Inadequate protection or misuse of this information by third parties could have significant business impact. Similarly, the Group uses distributors and agents in a range of activities such as promotion and tendering which have inherent risks such as inappropriate promotion or corruption. Insufficient internal compliance and controls by the distributors could affect the Group's reputation. These risks are further increased by the complexities of working with large numbers of third parties across a diverse geographical spread.

Failure to deliver a continuous supply of compliant finished product; inability to respond effectively to a crisis incident in a timely manner to recover and sustain critical operations.

The Group recognises that failure to supply its products can adversely impact consumers and patients who rely on them. A material interruption of supply or exclusion from healthcare programmes could expose the Group to litigation or regulatory action and financial penalties that could adversely affect the Group's financial results.

The Group's international operations, and those of its partners, expose the Group's workforce, facilities, operations and information technology to potential disruption from natural events (e.g. storm, earthquake), man-made events (e.g. trading barriers imposed at short notice, civil/political unrest, terrorism), and global emergencies (e.g. coronavirus outbreak, Ebola outbreak, flu pandemic). It is important that the Group has robust crisis management and recovery plans in place to manage such events.

The Group's supply chain operations are subject to review and approval by various regulatory agencies that effectively provide the Group's licence to operate. Failure by the Group's manufacturing and distribution facilities or by suppliers of key services and materials could lead to litigation or regulatory action such as product recalls and seizures, interruption of supply, delays in the approval of new products, and suspension of manufacturing operations pending resolution of manufacturing or logistics issues.

The Group relies on materials and services provided by third party suppliers to make the Group's products, including active pharmaceutical ingredients, antigens, intermediates, commodities, and components for the development, manufacture and packaging of pharmaceutical, vaccine and consumer healthcare products. Some of the third party services procured, such as services provided by contract manufacturing and clinical research organisations to support development of key products, are important to ensure continuous operation of the Group's business.

Although the Group undertakes risk mitigation, the Group recognises that certain events could nevertheless still result in delays or service interruptions. The Group uses effective crisis management and business continuity planning to provide for the health and safety of its people and to minimise impact to the Group, by maintaining functional operations following a natural or man-made disaster, or a public health emergency.

Failure by GSK, its contractors or suppliers to ensure: appropriate controls and governance of quality in product development, compliance with good manufacturing practice or good distribution practice regulations in commercial or clinical trials manufacture and distribution activities, and compliance with the terms of GSK product licenses and supporting regulatory activities.

A failure to ensure product quality could have far reaching implications in terms of patient and consumer safety, delays in launching products, drug shortages and product recalls, as well as regulatory, legal and financial consequences, which could materially and adversely affect the Group's reputation and financial results.

The external environment for product quality continues to be challenging. The single biggest change since 2018 is the political instability and uncertainty surrounding the delivery of Brexit and the implications for medicine supply continuity both into and out of mainland Europe. Two new sets of requirements are due to be implemented by the European Medicines Agency shortly and the Group is preparing for both. In the first quarter of 2020, new reporting requirements on potential drug shortages have been introduced and from May 2021, there will be new regulations covering the licensing of medical devices.

Technological developments are increasingly used to both enhance manufacture and to support the inclusion of packaging features that help secure the legitimate supply chain e.g. serialisation. The threat of cyberattacks remains a key risk to the integrity of product quality data and its audit trail.

Risks associated with the coronavirus outbreak

The potential impact of the COVID-19 pandemic on the Group's trading performance has been assessed with mitigation plans put in place. Up to the date of the June Interim 2020 Financial Information, the pandemic has, as anticipated, impacted the Group performance during the first half of 2020 primarily in demand for vaccines as a result of containment measures impacting customers' ability and willingness to access vaccination services across all regions. The Group continues to monitor the situation closely, as this is clearly a very dynamic and uncertain situation with the ultimate severity, duration and impact unknown at this point, including the potential impacts on the Group's trading results, clinical trials, supply continuity and employees. The situation could change at any time and there can be no assurance that the COVID-19 pandemic will not have a material adverse impact on the future results of the Group.

Legal and regulatory risks

Failure of the Group's employees, consultants and third parties to comply with the Group's anti-bribery and corruption ("ABAC") principles and standards, as well as with all applicable legislation.

Failure to mitigate this risk could expose the Group and associated persons to governmental investigation, regulatory action and civil and criminal liability and may compromise the Group's ability to supply its products under certain government contracts. In addition to legal and financial penalties, a failure to prevent bribery through complying with ABAC legislation and regulations could have substantial implications for the reputation of the Group, the credibility of senior leaders, and an erosion of investor confidence in the Group's governance and risk management.

The Group is exposed to bribery and corruption risk through its global business operations. In some markets, the government structure and the rule of law are less developed, and this has a bearing on the Group's bribery and corruption risk exposure. In addition to the global nature of the Group's business, the healthcare sector by its very nature maintains relationships with government bodies, is highly competitive and subject to regulation. This increases the instances where the Group is exposed to bribery and corruption risk.

The macro risk level remains unchanged as the Group continues to see legal frameworks similar to the United Kingdom and United States develop in emerging economies. High standards are expected of individuals and corporations aided by improved technology and increased enforcement.

The overall environment for ABAC in 2019 remained challenging. Divergence of legislation is making compliance harder and countries are increasingly holding individuals accountable (as well as corporations), increasing the employer duty of care. Society is holding corporations to ever higher standards with technology providing a speedy and anonymous avenue for dissemination of previously privileged information or even damaging false reports. Enforcement actions and penalties have increased across the globe with focus on use of third party intermediaries. Supportive aspects of new policies include Latin America moving towards compliance regimes like those established in the United States and the United Kingdom. In India there was an amendment of the Corruption Act (2018) which explicitly makes an offence to pay a bribe. China has introduced significant anti-bribery and anti-corruption/legislative and regulatory reforms. As of the date of this Prospectus, the Group's exposure remains unchanged.

The failure to collect, secure, use and destroy personal information ("PI") in accordance with applicable data privacy laws can lead to harm to individuals and the Group, including fines and operational, financial and reputational risk.

Non-compliance can lead to harm to individuals and the Group . It can also damage trust between the Group and individuals, communities, business partners and government authorities.

The General Data Protection Regulation (“**GDPR**”), with other privacy legislation following suit, increased the enforcement powers of supervisory authorities, including the ability to impose fines and to suspend processing of PI. GDPR and other privacy laws also give individuals the right to bring collective legal actions against the Group for failure to comply with data privacy laws.

Data privacy legislation is diverse, with limited harmonisation or simplification, despite Europe’s adoption of the GDPR. It is challenging for multi-nationals to standardise their approach to compliance with data privacy laws due to the high-level of local variation. Governments are enforcing compliance with data privacy laws more rigorously. The focus on the ethical use of PI is growing, over and above compliance with data privacy laws, due to an increase in data volume processed and advancements in technology. Individuals are more aware of their rights under data privacy laws.

Internal Control Risks

Failure to comply with current tax laws or incurring significant losses due to treasury activities; failure to report accurate financial information in compliance with accounting standards and applicable legislation.

Non-compliance with existing or new financial reporting and disclosure requirements, or changes to the recognition of income and expenses, could expose the Group to litigation and regulatory action and could materially and adversely affect the Group’s financial results.

In the current period of significant political uncertainty especially in the USA and United Kingdom, there can be significant changes at short notice. Failure to comply with any changes in the substance or application of the governing laws covering transfer pricing, dividends, tax credits, and intellectual property could materially and adversely affect the Group’s financial results. Significant losses may arise from inconsistent application of treasury policies, transactional or settlement errors, or counterparty defaults.

The Group is required by the laws of various jurisdictions to disclose publicly its financial results and events that could materially affect the financial results of the Group. Regulators routinely review the financial statements of listed companies for compliance with new, revised or existing accounting and regulatory requirements. Should the Group be subject to an investigation into potential non-compliance with accounting and disclosure requirements, this can lead to restatements of previously reported results and significant penalties.

The Group’s Treasury group deals in high value transactions, mostly foreign exchange and cash management transactions, daily. These transactions involve market volatility and counterparty risk. The Group’s effective tax rate reflects rates of tax in the jurisdictions in which the Group operates that are both higher and lower than the UK rate and considers regimes that encourage innovation and investment in science by providing tax incentives which, if changed, could affect the Group’s tax rate. In addition, the worldwide nature of the Group’s operations means that its intellectual property, research and development and manufacturing operations are centred in several key locations. A consequence of this is that the Group’s cross-border supply routes, necessary to ensure supplies of medicines into numerous end markets, can be complex and result in conflicting claims from tax authorities as to the profits to be taxed in individual countries. Tax legislation itself is also complex and differs across the countries in which the Group operates. As such, tax risk can also arise due to differences in the interpretation of such legislation. The tax charge included in the Group’s financial statements is the Group’s best estimate of tax liability pending audits by tax authorities.

The Group expects there to be continued focus on tax reform driven by initiatives of the Organisation for Economic Co-operation and Development to address the taxation of the digital economy and European Commission initiatives, including the use of fiscal state aid investigations. Together with domestic initiatives around the world, these may result in significant changes to established tax principles and an increase in tax authority disputes. These, regardless of their merit or outcomes, can be costly, divert management attention and may adversely impact the Group’s reputation and relationship with key stakeholders.

The risk that unauthorised disclosure, theft, unavailability or corruption of the Group’s information or key information systems may lead to harm the Group’s patients, workforce and customers,

disruption to the Group's business and/or loss of commercial or strategic advantage, damage to the Group's reputation or regulatory sanction.

Failure to adequately protect critical and sensitive systems and information may result in loss of commercial or strategic advantage and could materially affect the Group's ongoing business operations, such as scientific research, clinical trials and manufacturing and supply chain activities. Further, inadequately applying controls that would be expected of the Group may result in regulatory fines or present a reputational risk to the Group.

The Group relies on critical and sensitive systems and data, such as corporate strategic plans, intellectual property, manufacturing systems and trade secrets. There is the potential that the Group's computer systems or information may be exposed to misuse or unauthorised disclosure.

The Group operates a highly 'connected' information network that exposes its confidential research and development, manufacturing, commercial, workforce and financial data to the risk of external attacks. The Group's Digital and Data Analytics Strategy also substantially increases the businesses dependency on digital assets and distributed data, while increasing the number of assets potentially impacted by a cyberattack. As threats evolve, the Group cannot provide broad assurances that the significant efforts it delivers in the protection and monitoring of its systems and information will always be successful in preventing compromise or disruption. Cybersecurity losses increasingly involve highly-resourced and organised threat actors such as nation-states and online criminal collectives targeting the Group's large and complex IT and operational technology footprint, as well as the systems of its supply chain partners (including outsourced operations). This means that the Group's systems and information have been and will continue to be the target of cyberattacks. Additionally, extensive use of third parties to store and process the Group's data increases the Group's reliance on suppliers to operate effectively. This dependence increases the complexity around security controls and practices. It also reduces the Group's ability to monitor controls and effectively investigate and respond to incidents involving the Group information or systems. While the Group stands at the ready to address cybersecurity incidents and risks as they occur, in the past year the Group has not experienced a material cybersecurity incident that would have resulted in substantial harm to the Group (e.g., injury to reputation, financial performance, and customer and vendor relationships).

Environmental, social and governance risks

Failure to adequately conduct ethical and sound preclinical and clinical research. In addition, failure to engage in scientific activities that are consistent with the letter and spirit of the law, industry, or the Group's requirements.

The impacts of the risk include harm to human subjects, reputational damage, failure to obtain the necessary regulatory approvals for the Group's products, governmental investigation, legal proceedings brought against the Group by governmental and private plaintiffs (product liability suits and claims for damages), loss of revenue due to inadequate patent protection or inability to supply the Group's products, and regulatory action such as fines, penalties, or loss of product authorisation. Any of these consequences could materially and adversely affect the Group's financial results and cause loss of trust from the Group's customers and patients.

Research relating to animals can raise ethical concerns however, in many cases, research in animals is the only method that can be used to investigate the effects of a potential new medicine in a living body other than in humans. Animal research provides critical information about the causes and mechanisms of diseases and therefore remains a vital part of our research. Nonetheless, the Group is continually seeking ways in which it can minimise its use of animals in research, whilst complying with regulatory requirements and reducing the impact of the animals used.

Clinical trials in healthy volunteers and patients are used to assess and demonstrate an investigational product's efficacy and safety or further evaluate the product once it has been approved for marketing. The Group also works with human biological samples. These samples are fundamental to the discovery, development and safety monitoring of the Group's products. The Group is committed to ensuring that human biological samples are managed in accordance with relevant laws, regulations and ethical principles, in a manner that respects the interests of the sample donors. The integrity of the Group's data is essential to success in all stages of the research data lifecycle: design, generation, recording and management, analysis, reporting, storage and retrieval. The Group's research data is governed by legislation and regulatory requirements. Research data and supporting documents are core components at various stages

of pipeline progression decision-making and form the content of regulatory submissions, publications and patent filings. Poor data integrity can compromise the Group's research efforts and negatively impact company reputation.

There are innate complexities and interdependencies required for regulatory filings, particularly given the Group's global research and development footprint. Continually changing and increasingly stringent submission requirements continue to increase the complexity of worldwide product registration. The continued supply of the Group's medicines to patients is dependent on the ongoing compliance and maintenance of these licenses across many geographies whose requirements and timelines differ. The secure management of the high volume of lifecycle changes to these licenses and their renewal is critical to enable compliant supply. Failure to maintain licenses will directly impact patients and company revenue.

Scientific engagement ("SE"), defined as the interaction and exchange of information between the Group and external communities to advance scientific and medical understanding, including the appropriate development and use of the Group's products, is an essential part of scientific discourse. Such non-promotional engagement with external stakeholder groups is vital to the Group's purpose and necessary for scientific and medical advance. SE activities are essential but present legal, regulatory, and reputational risk if the sharing of data, invited media coverage or payments to HCPs have, or are perceived to have, promotional intent.

A wide variety of biological materials are used by the Group in discovery, research and development phases. Through the Convention on Biological Diversity ("CBD") and the Nagoya Protocol, the international community has established a global framework regulating access to, and use of, genetic resources of non-human origin in research and development.

Failure to manage environment, health and safety and sustainability ("EHS&S") risks in line with the Group's objectives and policies and with relevant laws and regulations.

Failure to manage EHS&S risks could lead to significant harm to people, the environment and communities in which the Group operates, fines, failure to meet stakeholder expectations and regulatory requirements, litigation or regulatory action, and damage to the Group's reputation, which could materially and adversely affect the Group's financial results.

The Group is subject to health, safety and environmental laws of various jurisdictions. These laws impose duties to protect people, the environment and the communities in which the Group operates as well as potential obligations to remediate contaminated sites. Overall, the Group's control framework for managing EHS&S risk is effective and the frequency of serious events is similar to peers and lower than for high hazard industries (for example, petrochemicals).

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH NOTES ISSUED UNDER THE PROGRAMME

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In general, European (including United Kingdom) regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU or in the United Kingdom and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU and non-UK credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered or UK-registered credit rating agency or the relevant non-EU or non-UK rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). If the status of the rating agency rating the Notes changes, European (including United Kingdom) regulated investors may no longer be able to use the rating for regulatory purposes and the Notes may have a different regulatory treatment. This may

result in European (including United Kingdom) regulated investors selling the Notes which may impact the value of the Notes and any secondary market. Certain information with respect to the credit rating agencies and ratings is set out on the front cover of this Prospectus.

Risks related to the structure of a particular issue of Notes

A range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the relevant Issuer has the right to affect such conversion, this will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer elects to convert from a fixed rate to a floating rate, in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer elects to convert from a floating rate to a fixed rate, in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Regulation and reform of benchmarks

Interest rates and indices which are deemed to be benchmarks (including LIBOR and EURIBOR) are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Notes linked to or referencing such a benchmark. The Benchmarks Regulation applies, subject to certain transitional provisions, to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU (which, for these purposes, includes the UK). It, among other things, (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevents certain uses by EU supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed).

The Benchmarks Regulation could have a material impact on any Notes linked to or referencing a benchmark, in particular, if the methodology or other terms of the benchmark are changed in order to comply with the requirements of the Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant benchmark.

More broadly, any of the national or international reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements. It is not possible to predict with certainty whether, and to what extent, LIBOR and EURIBOR will continue to be supported going forwards. This may cause LIBOR and EURIBOR to perform differently than they have done in the past, and may have other consequences which cannot be predicted. Such factors may have (without limitation) the following effects on certain benchmarks: (i) discouraging market participants from continuing to administer or contribute to a benchmark; (ii) triggering changes in the rules or methodologies used in the benchmark; or (iii) leading to the disappearance of the benchmark. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of and return on any Notes linked to, referencing or otherwise dependent (in whole or in part) upon a benchmark.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the Benchmarks Regulation reforms in making any investment decision with respect to the Notes.

Future discontinuance of certain benchmark rates (for example, LIBOR or EURIBOR) may adversely affect the value of Floating Rate Notes which are linked to or which reference any such benchmark rate

Investors should be aware that, if a benchmark rate were discontinued or otherwise unavailable (as described in more detail in “- *Regulation and Reform of Benchmarks*”), the rate of interest on Floating Rate Notes which are linked to or which reference such benchmark rate will be determined for the relevant period by the fallback provisions applicable to such Notes. The Terms and Conditions of the Notes provide for certain fallback arrangements in the event that a published benchmark, such as LIBOR, (including any page on which such benchmark may be published (or any successor service)) becomes unavailable, including the possibility that the rate of interest could be set by reference to a Successor Reference Rate or an Alternative Reference Rate and that such Successor Reference Rate or Alternative Reference Rate may be adjusted (if required) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark, although the application of such adjustments to the Notes may not achieve this objective. Any such changes may result in the Notes performing differently (which may include payment of a lower interest rate) than if the original benchmark continued to apply. Furthermore, if the relevant Issuer is unable to appoint an Independent Adviser or if such Issuer fails to agree the relevant Successor Reference Rate or an Alternative Reference Rate or Adjustment Spread, if applicable, with the Independent Adviser, the relevant Issuer may have to exercise its discretion to determine (or to elect not to determine) the relevant Alternative Reference Rate or Adjustment Spread, if applicable in a situation in which it is presented with a conflict of interest.

In addition, the relevant Independent Adviser may also determine (acting in good faith and in a commercially reasonable manner) that other amendments to the Terms and Conditions of the Notes are necessary in order to follow market practice in relation to the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) and to ensure the proper operation of the relevant Successor Reference Rate or Alternative Reference Rate (as applicable). No consent of the Noteholders shall be required in connection with effecting any relevant Successor Reference Rate or Alternative Reference Rate (as applicable) or any other related adjustments and/or amendments described above. In certain circumstances the ultimate fallback of interest for a particular Interest Period may result in the rate of interest for the last preceding Interest Period being used. This may result in the effective application of a fixed rate for Floating Rate Notes based on the rate which was last observed on the Relevant Screen Page. In addition, due to the uncertainty concerning the availability of successor rates and alternative reference rates and the involvement of an Independent Adviser (as defined in the Conditions), the relevant fallback provisions may not operate as intended at the relevant time.

Any such consequences could have a material adverse effect on the value of and return on any such Notes. Moreover, any of the above matters or any other significant change to the setting or existence of any relevant rate could affect the ability of the relevant Issuer to meet its obligations under the Floating Rate

Notes or could have a material adverse effect on the value or liquidity of, and the amount payable under, the Floating Rate Notes. Investors should note that, in the case of Relevant Notes, the relevant Independent Adviser and the relevant Issuer will have discretion to adjust the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) in the circumstances described above. Any such adjustment could have unexpected commercial consequences and there can be no assurance that, due to the particular circumstances of each Noteholder, any such adjustment will be favourable to each Noteholder.

Investors should consider all of these matters when making their investment decision with respect to the relevant Floating Rate Notes.

The market continues to develop in relation to SONIA as a reference rate for Floating Rate Notes

Investors should be aware that the market continues to develop in relation to SONIA as a reference rate in the capital markets and its adoption as an alternative to LIBOR. In particular, market participants and relevant working groups are exploring alternative reference rates based on SONIA, including term SONIA reference rates (which seek to measure the market's forward expectation of an average SONIA rate over a designated term). The market or a significant part thereof may adopt an application of SONIA that differs significantly from that set out in the terms and conditions of the Notes and used in relation to Floating Rate Notes that reference a SONIA rate issued under this Prospectus. Furthermore, the Issuer may in future issue Floating Rate Notes referencing a SONIA rate but that differ in terms of interest determination when compared with any previous SONIA-referenced Floating Rate Notes, due to the continued development of SONIA rates and market terms over time. This could result in reduced liquidity or could otherwise affect the market price of any Floating Rate Notes referencing a SONIA rate which are issued by the Issuer from time to time.

Further, interest on Floating Rate Notes which reference a SONIA rate is only capable of being determined at the end of the relevant Observation Period (as defined under "*Terms and Conditions of the Notes*") and immediately prior to the relevant Interest Payment Date (as defined under "*Terms and Conditions of the Notes*"). It may be difficult for investors in Floating Rate Notes that reference a SONIA rate to reliably estimate the amount of interest that will be payable on such Floating Rate Notes, and some investors may be unable or unwilling to trade such Floating Rate Notes without changes to their IT systems, both of which are factors which could adversely impact the liquidity of such Floating Rate Notes. Further, if the Floating Rate Notes become due and payable under Condition 6 of the Terms and Conditions of the Notes, the rate of interest payable shall be determined on the date the Floating Rate Notes become due and payable and shall not be reset after.

The manner of adoption or application of SONIA reference rates in the capital markets may differ materially compared with that in other markets, such as the derivatives and loan markets. Investors should consider how any such mismatch between the manner of adoption of SONIA reference rates across these markets could impact any hedging or other financial arrangements which they may put in place in connection with any purchase, holding or disposal of Floating Rate Notes which reference a SONIA rate.

Investors should consider these matters when making their investment decision with respect to any such Floating Rate Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Modification, waivers and substitution

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the Guarantor, in the circumstances described in Condition 16 of the conditions of the Notes.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination (as defined in the relevant Final Terms) plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it; (ii) Notes can be used as collateral for various types of borrowing; and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Risks related to the position of GSK Capital plc and GSK Capital K.K. within the Group

Potential investors should be aware that GSK Capital plc and GSK Capital K.K. are financing companies which lend the major part of all moneys raised by them to other companies within the Group. As such the ability of GSK Capital plc and GSK Capital K.K. to fulfil their respective obligations under the Notes may be dependent on the Guarantor's policy decisions from time to time, as the parent company of the Group. However, the Guarantor separately has its obligations to fulfil under the Guarantee.

Risks related to the admission of the Notes to trading on the London Stock Exchange

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a “**Temporary Global Note**”) or, if so specified in the applicable Final Terms, a permanent global note (a “**Permanent Global Note**” and, together with the Temporary Global Note, the “**Global Notes**”) which, in either case will:

- (i) if the Global Notes are intended to be issued in new global note form (“**NGN**”), as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the “**Common Safekeeper**”) for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream, Luxembourg**”); and
- (ii) if the Global Notes are not intended to be issued in NGN form (“**CGN**”), be delivered on or prior to the original issue date of the Tranche to Citibank, N.A., London Branch, as common depository (the “**Common Depository**”) for Euroclear and Clearstream, Luxembourg.

Where the Global Notes issued in respect of any Tranche of Notes are in NGN form, the applicable Final Terms will also indicate whether or not such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility and Euroclear and/or Clearstream, Luxembourg (as applicable) will be notified accordingly. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in the Temporary Global Note are not U.S. persons or persons who have purchased for resale to any U.S. person or any person within the United States or its possessions, as required by Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg, and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date which is 40 days after the Temporary Global Note is issued (the “**Exchange Date**”), interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein for either (i) interests in a Permanent Global Note of the same Series or (ii) definitive Notes of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest (if any), principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, interest coupons and talons attached only upon the occurrence of an Exchange Event. For these purposes, “**Exchange Event**” means that (i) an Event of Default (as defined in Condition 9) has occurred and is continuing, (ii) the relevant Issuer

has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available or (iii) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form and a certificate to such effect signed by two Directors of the relevant Issuer has been given to the Trustee. The relevant Issuer will promptly give notice to the Noteholders in accordance with Condition 15 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not more than 45 days after the date of receipt of the first relevant notice by the Agent. No definitive Note delivered in exchange for a Permanent Global Note will be mailed or otherwise delivered to any location in the United States in connection with such exchange.

The following legend will appear on all Notes (other than Temporary Global Notes) and on all interest coupons and talons relating to such Notes where TEFRA D is specified in the applicable Final Terms:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

The following legend will appear on all Global Notes, definitive Notes and interest coupons (including talons) issued by GSK Capital K.K.:

“Interest payments on this Note will be subject to Japanese withholding tax unless the holder establishes that this Note is held by or for the account of a holder that is (a) for Japanese tax purposes, neither (x) an individual resident of Japan or a Japanese corporation, nor (y) an individual non-resident of Japan or a non-Japanese corporation that in either case is a person having a special relationship with the Issuer as described in article 6, paragraph 4 of the Special Taxation Measures Act of Japan (Act No. 26 of 1957, as amended) (the “**Special Taxation Measures Act**”), (b) a designated Japanese financial institution described in article 6, paragraph 9 of the Special Taxation Measures Act which complies with the Japanese tax exemption requirements, or (c) a public corporation, a financial institution, a financial instruments business operator or certain other entity (which has complied with the Japanese tax exemption requirements) which has received such payments through its payment handling agent in Japan as provided in article 3-3 paragraph 6 of the Special Taxation Measures Act.”

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*”), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Temporary Global Note or a Permanent Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or any form of record made by any of them

or such other evidence and/or information and/or certification as the Trustee shall, in its absolute discretion, think fit to the effect that at any particular time or throughout any particular period any particular person is, was, or will be, shown in its records as the holder of a particular nominal amount of Notes represented by a Global Note and if it does so rely, such letter of confirmation, form of record, evidence, information or certification shall be conclusive and binding on all concerned save in the case of manifest error) shall be treated by the relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and their agents and the Trustee as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest (if any) on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and their agents and the Trustee as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note; and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, if the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the relevant Issuer, the Agent and the Trustee.

No Noteholder or Couponholder shall be entitled to proceed directly against the relevant Issuer or the Guarantor (in the case of Guaranteed Notes) unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes issued under the Programme, each of which shall have a denomination of at least €100,000 (or its equivalent in any other currency).

[PROHIBITION OF SALES TO EEA AND UNITED KINGDOM RETAIL INVESTORS] – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”) or in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (“**MiFID II**”); or (ii) a customer within the meaning of Directive 2016/97/EU (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the United Kingdom has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the United Kingdom may be unlawful under the PRIIPs Regulation.]

[*Consider any negative target market*]. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.] *

GENERAL PROVISIONS APPLICABLE TO THE NOTES

25. Form of Notes: [Temporary Global Note exchangeable for a Permanent Global Note which is exchangeable for Definitive Notes [only upon an Exchange Event]]
- [Temporary Global Note exchangeable for Definitive Notes on and after the Exchange Date]
- [Permanent Global Note exchangeable for Definitive Notes only upon an Exchange Event]
26. New Global Note: [Yes][No]
27. Intended to be held in a manner which would allow Eurosystem eligibility: [Yes] *[Note that the designation “yes” simply means that the Notes are intended upon issue to be deposited with one of the ICSDs as common safekeeper [(and registered in the name of a nominee of one of the ICSDs acting as common safekeeper,)[include this text for registered notes] and does not necessarily mean that the Notes will be recognized as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met.]*

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each Definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Form of the Notes” for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by GlaxoSmithKline plc (“**GSK plc**”), GlaxoSmithKline Capital plc (“**GSK Capital plc**”) or GSK Capital K.K. (“**GSK Capital K.K.**”) (each, an “**Issuer**” and together, the “**Issuers**”) constituted by a trust deed dated 4th December, 2001 (such Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between GSK Capital Inc. and GSK Capital plc as issuers, GSK plc as guarantor (the “**Guarantor**”) and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include any successor trustee) as trustee for the Noteholders (as defined below). GSK Capital Inc. ceased to be an issuer on or about 5th August, 2013 and GSK Capital K.K. acceded to the Programme on 3rd August, 2017. Notes issued by GSK Capital plc or by GSK Capital K.K. (“**Guaranteed Notes**”) will be unconditionally and irrevocably guaranteed by the Guarantor under the terms of the Trust Deed (such guarantee, the “**Guarantee**”).

References in these Terms and Conditions to the “**Issuer**” shall be to the Issuer of the Notes as specified in the applicable Final Terms.

References herein to the “**Notes**” shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note (a “**Global Note**”), units of the lowest Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) also have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the “**Agency Agreement**”) and most recently amended and restated on 2 August, 2018, and made between the Issuers, the Guarantor, the Trustee, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the “**Agent**”, which expression shall include any successor agent) and the other paying agents named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agents).

Interest bearing definitive Notes have interest coupons (“**Coupons**”) and, in the case of Notes, which, when issued in definitive form, have more than 27 interest payments remaining to be paid, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) as set out in Part A of the Final Terms is attached to or endorsed on this Note and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References to the “**applicable Final Terms**” are, unless otherwise stated, to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Trustee acts for the benefit of the holders of the Notes (the “**Noteholders**”, which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the “**Couponholders**”, which expression shall, unless the context otherwise requires, include the holders of the Talons) in accordance with the provisions of the Trust Deed.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing and admission to trading) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the specified office of each of the Paying Agents.

Copies of the applicable Final Terms are available for inspection during normal business hours at the registered offices of GSK plc and GSK Capital plc at 980 Great West Road, Brentford, Middlesex, TW8 9GS, U.K. and at the specified office of each of the Paying Agents. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of inconsistency between the Agency Agreement or the Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail.

1. **FORM, DENOMINATION AND TITLE**

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the “**Specified Currency**”) and the denominations (“**Specified Denomination(s)**”) specified in the applicable Final Terms provided always that the minimum Specified Denomination in respect of any Tranche of Notes shall be €100,000 (or the equivalent thereof in any other currency). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The relevant Issuer, the Guarantor, the Trustee and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking S.A. (“**Clearstream, Luxembourg**”), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect

to the payment of principal or interest (if any) on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer, the Guarantor, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the Trust Deed and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly. In determining whether a particular person is entitled to a particular nominal amount of Notes as aforesaid, the Trustee may rely on such evidence and/or information and/or certification as it shall, in its absolute discretion, think fit and, if it does so rely, such evidence and/or information and/or certification shall in the absence of manifest error, be conclusive and binding on all concerned. Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

References to Euroclear and/or Clearstream, Luxembourg shall, if the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the Issuer, the Agent and the Trustee.

2. STATUS OF THE NOTES AND THE GUARANTEE

(a) *Status of the Notes*

The Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

(b) *Status of the Guarantee*

In the case of Guaranteed Notes, the payment of principal and interest (if any) together with all other sums payable by the Issuer under the Trust Deed in respect of the Notes has been unconditionally and irrevocably guaranteed by the Guarantor in the Trust Deed. The obligations of the Guarantor are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Guarantor and (save for certain obligations required to be preferred by law) rank equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor, from time to time outstanding.

3. NEGATIVE PLEDGE

So long as any of the Notes remains outstanding (as defined in the Trust Deed):

- (a) the Issuer will not create or permit to subsist any mortgage, charge, pledge or lien (other than a lien arising by operation of law) upon the whole or any part of its property, assets or revenues, present or future, to secure (i) payment of any Relevant Indebtedness or (ii) any payment under any guarantee or indemnity granted by the Issuer in respect of any Relevant Indebtedness (as defined below); and
- (b) the Guarantor (in the case of Guaranteed Notes) will not and will procure that no Subsidiary (as defined below) of the Guarantor will create or permit to subsist any mortgage, charge, pledge or lien (other than a lien arising by operation of law) upon the whole or any part of its property, assets or revenues, present or future, to secure (i) payment of any Relevant Indebtedness or (ii) any payment under any guarantee or indemnity granted by the Guarantor or any Principal Subsidiary (as defined below) in respect of any Relevant Indebtedness

without in any such case at the same time according to the Notes (unless it has already been so accorded) to the satisfaction of the Trustee either the same security as is created or subsisting to secure any such Relevant Indebtedness, guarantee or indemnity or such other arrangement (whether or not comprising security) as the Trustee shall in its absolute discretion deem not materially less

beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution (as such term is defined in the Trust Deed) of the Noteholders.

For the purposes of this Condition, “**Relevant Indebtedness**” means any indebtedness which (a) is in the form of or represented by bonds, notes, loan stock, depositary receipts or other securities issued otherwise than to constitute or represent advances made by banks and/or other lending institutions; (b) is denominated, or confers any right to payment of principal, premium and/or interest, in or by reference to any currency other than the currency of the country in which the issuer of the indebtedness has its principal place of business, or is denominated in or by reference to the currency of such country but is placed or offered for subscription or sale by or on behalf of, or by agreement with, the issuer as to over 20 per cent. outside such country; and (c) at its date of issue is, or is intended by the issuer to become, quoted, listed, traded or dealt in on any stock exchange, over-the-counter market or other securities market.

In these Terms and Conditions, “**Subsidiary**” means a subsidiary within the meaning of Section 1159 of the Companies Act 2006.

4. **INTEREST**

(a) *Interest on Fixed Rate Notes*

This Condition 4(a) applies to Fixed Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4(a) for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. For so long as any of the Fixed Rate Notes is represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal amount outstanding of the Fixed Rate Notes and will be paid to Clearstream, Luxembourg and Euroclear for distribution by them to entitled accountholders in accordance with their usual rules and operating procedures. In respect of each definitive Fixed Rate Note, interest will be calculated on its outstanding nominal amount.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period or if, in the case of Notes in definitive form, no Fixed Coupon Amount is specified in the applicable Final Terms, such interest shall be calculated by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the Fixed Rate Notes;

(B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amounts by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:
- (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
- (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
- (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
- (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1) + (D2 - D1)]}{360}$$

Where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Interest Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30.

In these Terms and Conditions:

“**Determination Period**” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“**sub-unit**” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes*

This Condition 4(b) applies to Floating Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4(b) for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Relevant Financial Centre, Interest Determination Date(s) and Relevant Screen Page.

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment Date**”) which falls on the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Terms and Conditions, “**Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). For so long as any of the Floating Rate Notes is represented by a global

Note held on behalf of Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal amount outstanding of the relevant Notes and will be paid to Clearstream, Luxembourg and Euroclear for distribution by them to entitled accountholders in accordance with their usual rules and operating procedures. In respect of each definitive Floating Rate Note, interest will be calculated on its outstanding nominal amount.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, “**Business Day**” means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Business Centre specified in the applicable Final Terms;
- (B) if TARGET2 System is specified as an Additional Business Centre in the applicable Final Terms, a day on which TARGET2 (as defined below) is open; and
- (C) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which TARGET2 (or any successor thereto) is open for the settlement of payments in euro.

“**TARGET2**” means the Trans-European Automated Real-time Gross Settlement Express Transfer payment system which utilises a single shared platform and which was launched on 19th November, 2007 or any successor thereto.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the “**ISDA Definitions**”) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“**LIBOR**”) or on the Euro-zone inter-bank offered rate (“**EURIBOR**”) or on the Sterling Overnight Index Average (“**SONIA**”), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

The ISDA Definitions contain provisions for determining the applicable Floating Rate (as defined herein) in the event that the specified Floating Rate is not available.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either (save where the Reference Rate is SONIA, in which case Condition 4(b)(ii)(B)(3) shall apply):

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate (being either LIBOR or EURIBOR, as specified in the applicable Final Terms, subject as provided in Condition 4(b)(v)) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. London time, in the

case of LIBOR, or 11.00 a.m. Brussels time, in the case of EURIBOR, on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

- (3) Where the Reference Rate is specified in the applicable Final Terms as being SONIA, the interest rate applicable to the Notes for each Interest Period will be the sum of the Compounded Daily SONIA and the Margin.

If, in respect of any London Banking Day in the relevant Observation Period, the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be: (i) the Bank Rate prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event that the Bank of England publishes guidance as to (i) how the SONIA rate is to be determined or (ii) any rate that is to replace the SONIA rate, the SONIA Calculation Agent (or such other party responsible for the calculation of the interest rate, as specified in the applicable Final Terms) shall, to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA rate, for purposes of the Floating Rate Notes for so long as the SONIA rate is not available or has not been published by the authorised distributors.

In the event that the interest rate cannot be determined in accordance with the foregoing provisions, the interest rate shall be (i) that determined as at the last preceding Interest Determination Date or (ii) if there is no such preceding Interest Determination Date, the initial interest rate which would have been applicable to such Floating Rate Notes for the first Interest Period had the Floating Rate Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin to the first Interest Period).

If the Floating Rate Notes become due and payable in accordance with Condition 5, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Floating Rate Notes became due

and payable and the interest rate on such Floating Rate Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

For the purposes of the foregoing provision, the following terms shall have the following meanings:

“**Bank Rate**” means the Bank of England’s Bank Rate;

“**Compounded Daily SONIA**” means the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the SONIA Calculation Agent (or such other party responsible for the calculation of the interest rate, as specified in the applicable Final Terms) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_{i-5\text{LBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Period;

“**d_o**” is the number of London Banking Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to d_o, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

“**London Banking Day**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n_i**”, for any day **i**, means the number of calendar days from and including such day “**i**” up to but excluding the following London Banking Day;

“**Observation Period**” means, in respect of an Interest Period, the period from and including the date falling five London Banking Days prior to the first day of the relevant Interest Period and ending on, but excluding, the date falling five London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling five London Banking Days prior to such earlier date, if any, on which the Subordinated Instruments become due and payable);

“**SONIA Calculation Agent**” means a leading investment, merchant or commercial bank appointed by the Issuer and approved in writing by the Trustee for the purposes of calculating the relevant SONIA;

the “**SONIA reference rate**”, in respect of any London Banking Day, is a reference rate equal to the daily SONIA rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

“**SONIA_{-5LBD}**” means, in respect of any London Banking Day falling in the relevant Interest Period, the SONIA reference rate for the London Banking Day falling, in the relevant Observation Period, five London Banking Days prior to the relevant London Banking Day “i”;

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the relevant Notes; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(b):

- (A) if “**Actual/Actual**” or “**Actual/Actual (ISDA)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any

portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (B) if “**Actual/365 (Fixed)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “**Actual/360**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (D) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

Where:

“**Y1**” is the year, expressed as a number, in which the first day of the Interest Period falls;

“**Y2**” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“**M1**” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“**M2**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“**D1**” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D will be 30; and

“**D2**” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (E) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) *Reference Rate Replacement*

If:

- (A) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined; and
- (B) notwithstanding the provisions of Condition 4(b)(ii)(B), if the relevant Issuer (in consultation with the Agent) determines that a Benchmark Event (as defined

below) has occurred when any Rate of Interest (or relevant component part thereof) remains to be determined by reference to a Reference Rate,

then the following provisions shall apply:

(I) the relevant Issuer shall use reasonable endeavours to appoint an Independent Adviser to determine in consultation with the relevant Issuer (acting in good faith and in a commercially reasonable manner):

(x) a Successor Reference Rate; or

(y) if such Independent Adviser (in consultation with the relevant Issuer) determines that there is no Successor Reference Rate, an Alternative Reference Rate,

and, in each case, an Adjustment Spread (if any) (in any such case, acting in good faith and in a commercially reasonable manner) no later than five Business Days prior to the Interest Determination Date relating to the next Interest Period (the “**IA Determination Cut-off Date**”) for the purposes of determining the Rate of Interest applicable to the Notes for such next Interest Period and for all other future Interest Periods (subject to the subsequent operation of this Condition 4(b)(v) during any other future Interest Period(s));

(II) if a Successor Reference Rate or, failing which, an Alternative Reference Rate (as applicable) is determined by the relevant Independent Adviser in accordance with this Condition 4(b)(v):

(x) such Successor Reference Rate or Alternative Reference Rate (as applicable) shall be the Reference Rate for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 4(b)(v));

(y) if the relevant Independent Adviser in consultation with the relevant Issuer:

(1) determines that an Adjustment Spread is required to be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 4(b)(v)); or

(2) is unable to determine the quantum of, or a formula or methodology for determining, an Adjustment Spread, then such Successor Reference Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 4(b)(v)); and

(z) the relevant Independent Adviser (acting in good faith and in a commercially reasonable manner) may in its discretion specify:

(1) changes to these Terms and Conditions, the Trust Deed or the Agency Agreement in order to follow market practice in relation to such Successor Reference Rate or Alternative Reference Rate

(as applicable), including, but not limited to, (aa) the Additional Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date and/or Relevant Screen Page applicable to the Notes and (bb) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Successor Reference Rate or Alternative Reference Rate (as applicable) is not available; and

- (2) any other changes which the relevant Independent Adviser determines are reasonably necessary to ensure the proper operation and comparability to the Original Reference Rate of such Successor Reference Rate or Alternative Reference Rate (as applicable),

which changes shall apply to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 4(b)(v)); and

- (aa) promptly following the determination of (i) any Successor Reference Rate or Alternative Reference Rate (as applicable) and (ii) if applicable, any Adjustment Spread, the relevant Issuer shall give notice thereof and of any changes (and the effective date thereof) pursuant to this Condition 4(b)(v) to the Trustee, each of the Paying Agents, the Noteholders and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination.

No later than notifying the Trustee of the same, the relevant Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer:

- (a) confirming (x) the Successor Reference Rate or, as the case may be, the Alternative Reference Rate and (y) where applicable, any Adjustment Spread, in each case as determined in accordance with the provisions of this Condition 4(b)(v);
- (b) certifying that the consequential amendments are necessary to ensure the proper operation of such Successor Reference Rate, Alternative Reference Rate and/or Adjustment Spread; and
- (c) certifying that the relevant Issuer has duly consulted with an Independent Adviser with respect to each of the matters above.

The Trustee shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other such person for so acting or relying on such certificate, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. The Successor Reference Rate or Alternative Reference Rate and the Adjustment Spread (if any) and any such other relevant changes pursuant to this Condition 4(b)(v) specified in such certificate will (in the absence of manifest error in the determination of the Successor Reference Rate or Alternative Reference Rate and the Adjustment Spread (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Paying Agents, the Noteholders and the Couponholders.

Subject to receipt by the Trustee of this certificate, the Trustee shall, at the direction and expense of the relevant Issuer, effect such consequential amendments to the Trust Deed (including, *inter alia*, by the execution of a deed supplemental

to or amending the Trust Deed), the Agency Agreement and these Terms and Conditions (the “**Benchmark Amendments**”) as the relevant Issuer certifies are required to give effect to this Condition 4(b)(v) and the Trustee shall not be liable to any party for any consequences thereof.

The Trustee shall not be required to effect any such Benchmark Amendments if the same would impose, in the Trustee’s reasonable opinion, more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend its rights and/or the protective provisions afforded to it. For the avoidance of doubt, no Noteholder consent shall be required in connection with effecting these Benchmark Amendments or other such changes, including for the execution of any documents, amendments or other steps by the relevant Issuer, the Trustee or the Principal Paying Agent (if required).

In connection with such variation in accordance with this Condition 4(b)(v), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

No consent of the Noteholders shall be required in connection with effecting the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) described in this Condition 4(b)(v) or such other relevant changes pursuant to this Condition 4(b)(v), including for the execution of any documents or the taking of other steps by the relevant Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

If the relevant Issuer is unable to appoint an Independent Adviser in a timely manner, or if the Independent Adviser and the relevant Issuer cannot agree upon, or cannot select a Successor Reference Rate or an Alternative Reference Rate prior to the IA Determination Cut-off Date in accordance with this Condition 4(b)(v), the relevant Issuer (acting in good faith and in a commercially reasonable manner) may determine which (if any) rate has replaced the relevant Reference Rate in customary market usage for purposes of determining floating rates of interest in respect of Eurobonds denominated in the Specified Currency, or, if it determines that there is no such rate, which (if any) rate is most comparable to the relevant Original Reference Rate, and the Alternative Reference Rate shall be the rate so determined by the relevant Issuer; provided, however, that if this sub-paragraph applies and the relevant Issuer is unable or unwilling to determine an Alternative Reference Rate prior to the Interest Determination Date relating to the next succeeding Interest Period in accordance with this sub-paragraph, then the Rate of Interest for the next Interest Period (and for all other future Interest Periods) shall be determined by reference to the fall-back provisions set out in the Agency Agreement.

In the absence of bad faith or wilful default, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents or the Noteholders for any determination made by it pursuant to this Condition 4(b)(v).

(vi) *Notification of Rate of Interest and Interest Amounts*

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, Trustee and any stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be given in accordance with Condition 15 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension

or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 15. For the purposes of this paragraph, the expression “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or the Independent Adviser, shall (in the absence of manifest error) be binding on the Issuer, the Guarantor, the Agent, the Trustee, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Guarantor, the Noteholders or the Couponholders shall attach to the Agent, the Trustee or the Independent Adviser in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“**Adjustment Spread**” means a spread (which may be positive or negative) or formula or methodology for calculating a spread, which the relevant Independent Adviser determines is required to be applied to a Successor Reference Rate or an Alternative Reference Rate (as applicable) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of the Original Reference Rate with such Successor Reference Rate or Alternative Reference Rate (as applicable) and is the spread, formula or methodology which:

- (i) in the case of a Successor Reference Rate, is formally recommended in relation to the replacement of the Original Reference Rate with such Successor Reference Rate by any Relevant Nominating Body; or
- (ii) in the case of a Successor Reference Rate for which no such recommendation has been made or in the case of an Alternative Reference Rate, the relevant Independent Adviser determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by such Successor Reference Rate or Alternative Reference Rate (as applicable); or
- (iii) if no such customary market usage is recognised or acknowledged, the relevant Independent Adviser in its discretion determines (acting in good faith and in a commercially reasonable manner) to be appropriate.

“**Alternative Reference Rate**” means such rate as the Independent Adviser and the relevant Issuer acting in good faith agree has replaced the relevant Original Reference Rate in customary market usage for the purposes of determining floating rates of interest in respect of Eurobonds denominated in the Specified Currency, or, if the Independent Adviser and the relevant Issuer agree that there is no such rate, such other

rate as the Independent Adviser and the relevant Issuer acting in good faith agree is most comparable to the relevant Original Reference Rate;

“Benchmark Event” means:

(i) the relevant Original Reference Rate has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or

(ii) a public statement by the administrator of the relevant Original Reference Rate that it will, by a specified date within the following 6 months, cease publishing such Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such Original Reference Rate); or

(iii) a public statement by the supervisor of the administrator of the relevant Original Reference Rate that such Original Reference Rate has been or will be, by a specified date within the following 6 months, permanently or indefinitely discontinued; or

(iv) a public statement by the supervisor of the administrator of the relevant Original Reference Rate that means that such Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case by a specified date within the following 6 months; or

(v) there has taken place a change in customary market practice in the international debt capital markets applicable generally to floating rate notes denominated in the Specified Currency (determined according to factors including, but not limited, to public statements, opinions and publications of industries bodies and organisations) that, in the view of the relevant Issuer (acting in good faith and commercially), such Original Reference Rate is no longer representative of an underlying market or the methodology to calculate such Original Reference Rate has materially changed; or

(vi) it has or will on or prior to a specified date within the following 6 months become unlawful for the Agent or the relevant Issuer to calculate any payments due to be made to any Noteholder using the relevant Original Reference Rate (including, without limitation, under the Benchmarks Regulation, if applicable).

“Independent Adviser” means an independent financial institution of international repute or other independent financial adviser experienced in the international debt capital markets, in each case selected and appointed by the relevant Issuer at its own expense.

“Original Reference Rate” means the Reference Rate originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) applicable to the Notes (or, if applicable, any other Successor or Alternative Reference Rate (or component part thereof)) determined and applicable to the Notes pursuant to the earlier operation of Condition 4(b)).

“Relevant Nominating Body” means, in respect of a Reference Rate:

(i) the central bank for the currency to which such reference rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of such reference rate; or

(ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which such reference rate relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of such reference rate, (c) a group of the aforementioned central banks or other supervisory authorities, or (d) the Financial Stability Board or any part thereof.

“Successor Reference Rate” means the rate that the relevant Independent Adviser determines is a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

5. PAYMENTS

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Auckland, respectively provided however that no payment may be made by transfer of funds to an account maintained in the United States or by cheque mailed to an address in the United States); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque (provided however that no payment may be made by transfer of funds to an account maintained in the United States or by cheque mailed to an address in the United States).

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(b) *Presentation of definitive Notes and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest (if any) in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used in this Condition 5, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form (other than Floating Rate Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned in paragraph (a) above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note

which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States.

A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be prima facie evidence that the payment in question has been made.

(d) *General provisions applicable to payments*

The holder of a Global Note (or, as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note (or the Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note (or the Trustee, as the case may be). No person other than the holder of the Global Note (or, as provided in the Trust Deed, the Trustee) shall have any claim against the relevant Issuer or, as the case may be, the Guarantor in respect of any payments due on such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest (if any) in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest (if any) in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest (if any) on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest (if any) at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest (if any) in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, “**Payment Day**” means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Notes in definitive form only the relevant place of presentation; and
 - (B) each Additional Financial Centre (other than TARGET2) specified in the applicable Final Terms;
- (ii) if TARGET2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which TARGET2 is open; and
- (iii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which TARGET2 is open.

(f) *Interpretation of principal and interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or under any undertaking given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Residual Call Early Redemption Amount (if any) of the Notes;
- (vi) the Make-Whole Redemption Amount(s) (if any) of the Notes;
- (vii) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(h)); and
- (viii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or under any undertaking given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

6. REDEMPTION AND PURCHASE

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the relevant Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) *Redemption for tax reasons*

The Notes may be redeemed in whole but not in part, at the option of the Issuer, at any time or, if the Notes are Floating Rate Notes, on any Interest Payment Date, upon not more than 30 nor less than 15 days' prior notice given in accordance with Condition 15 (which notice will be irrevocable), at their Early Redemption Amount, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption, if, as a result of any amendment to, or change in, the laws or regulations of the United Kingdom (in the case of GSK plc and GSK Capital plc) or the laws or regulations of Japan or of the United Kingdom (in the case of GSK Capital K.K.) or any political subdivision or taxing authority thereof or therein (as applicable) affecting taxation, or any amendment to or change in an official application or interpretation of such laws or regulations, which amendment or change is effective on or after the Issue Date of the first Tranche of the Notes, the Issuer will become obligated to pay any additional amounts pursuant to Condition 7(ii) on the next succeeding Interest Payment Date in respect of the Notes and such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it; provided, however, that (1) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due and (2) at the time such notice of redemption is given, such obligation to pay such additional amounts remains in effect. Immediately prior to the giving of any notice of redemption pursuant to this paragraph the Issuer will deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

(c) *Redemption at the option of the Issuer*

This Condition 6(c) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons pursuant to Condition 6(b) or pursuant to the Issuer Residual Call described in Condition 6(d) or pursuant to a Make-Whole Redemption by the Issuer as described in Condition 6(e) or pursuant to the Issuer Maturity Call described in Condition 6(f)), such option being referred to as an "Issuer Call". The applicable Final Terms contain provisions applicable to any Issuer Call and must be read in conjunction with this Condition 6(c) for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed.

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 15; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent and the Trustee;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional

Redemption Date. Any partial redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than the Higher Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be notified to Noteholders in accordance with Condition 15 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 15 at least five days prior to the Selection Date.

(d) *Issuer Residual Call Option*

*This Condition 6(d) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons pursuant to Condition 6(b) or pursuant to the Issuer Call described in Condition 6(c) or pursuant to a Make-Whole Redemption by the Issuer as described in Condition 6(e) or pursuant to the Issuer Maturity Call described in Condition 6(f)), such option being referred to as the “**Issuer Residual Call**”. The applicable Final Terms contain provisions applicable to the Issuer Residual Call and must be read in conjunction with this Condition 6(d) for full information on the Issuer Residual Call. In particular, the applicable Final Terms will identify the Residual Call Early Redemption Amount.*

If Issuer Residual Call is specified in the applicable Final Terms and, at any time, the outstanding aggregate nominal amount of the Notes is 20 per cent. or less of the aggregate nominal amount of the Series issued, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than 15 and not more than 30 days’ notice to the Trustee and, in accordance with Condition 15, the Noteholders (which notice shall be irrevocable) at the Residual Call Early Redemption Amount together, if appropriate, with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 6(d), the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the outstanding aggregate nominal amount of the Notes is 20 per cent. or less of the aggregate nominal amount of the Notes originally issued. The Trustee shall be entitled to accept such certificate (without enquiry or liability to any person) as sufficient evidence of the satisfaction of the condition precedent set out above, in which event it shall be conclusive and binding on the Issuer, the Trustee, the Noteholders and the Couponholders and the Trustee will not be responsible for any loss that may be occasioned by the Trustee’s acting or relying on such certificate.

(e) *Make-Whole Redemption by the Issuer*

*This Condition 6(e) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons pursuant to Condition 6(b) or pursuant to the Issuer Call described in Condition 6(c) or pursuant to the Issuer Residual Call described in Condition 6(d) or pursuant to the Issuer Maturity Call described in Condition 6(f)), such option being referred to as “**Make-Whole Redemption by the Issuer**”. The applicable Final Terms contain provisions applicable to Make-Whole Redemption by the Issuer and must be read in conjunction with this Condition 6(e) for full information on Make-Whole Redemption by the Issuer. In particular, the applicable Final Terms will identify the Make-Whole Redemption Margin, the Reference Bond,*

the Quotation Time, the Reference Rate Determination Date and, if redeemable in part, any minimum or maximum amount of Notes which can be redeemed.

If Make-Whole Redemption by the Issuer is specified in the applicable Final Terms, the Issuer may, having given not less than 15 nor more than 30 days' notice to the Trustee and the Noteholders in accordance with Condition 15 (which notice shall be irrevocable and shall specify the date fixed for redemption (the "**Make-Whole Redemption Date**")), redeem all or some only of the Notes then outstanding on any Make-Whole Redemption Date and at the Make-Whole Redemption Amount(s) together, if appropriate, with interest accrued to (but excluding) the relevant Make-Whole Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Notes, the Redeemed Notes will (i) in the case of Redeemed Notes represented by definitive Notes, be selected individually by lot, not more than 30 days prior to the relevant Make-Whole Redemption Date and (ii) in the case of Redeemed Notes represented by a Global Note, be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 15 not less than 15 days prior to the relevant Make-Whole Redemption Date.

In this Condition 6(e), "**Make-Whole Redemption Amount**" means: (A) the outstanding nominal amount of the relevant Note or (B) if higher, the sum, as determined by the Calculation Agent, of the present values of the remaining scheduled payments of principal and interest on the Notes to the Maturity Date (or, if Issuer Maturity Call (in addition to Make-Whole Redemption) is specified in the applicable Final Terms, to the Issuer Maturity Call Period Commencement Date) (not including any portion of such payments of interest accrued to the date of redemption) discounted to the relevant Make-Whole Redemption Date on an annual basis at the Reference Rate plus the Make-Whole Redemption Margin (if any) specified in the applicable Final Terms, where:

"**CA Selected Bond**" means a government security or securities (which, if the Specified Currency is euro, will be a German *Bundesobligationen*) selected by the Calculation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed and that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes;

"**Calculation Agent**" means a leading investment, merchant or commercial bank appointed by the Issuer and approved in writing by the Trustee for the purposes of calculating the relevant Make-Whole Redemption Amount, and notified to the Noteholders in accordance with Condition 15;

"**Reference Bond**" means (A) if CA Selected Bond is specified in the applicable Final Terms, the relevant CA Selected Bond or (B) if CA Selected Bond is not specified in the applicable Final Terms, the security specified in the applicable Final Terms, provided that if the Calculation Agent advises the Issuer that, at the time at which the relevant Make-Whole Redemption Amount is to be determined, for reasons of illiquidity or otherwise, the relevant security specified is not appropriate for such purpose, such other central bank or government security as the Calculation Agent may, after consultation with the Issuer and with the advice of Reference Market Makers, determine to be appropriate;

"**Reference Bond Price**" means (i) the average of five Reference Market Maker Quotations for the relevant Make-Whole Redemption Date, after excluding the highest and lowest of such five Reference Market Maker Quotations (or, if there are two highest and/or two lowest quotations, excluding just one of such highest quotations and/or one of such lowest

quotations, as the case may be), (ii) if the Calculation Agent obtains fewer than five, but more than one, such Reference Market Maker Quotations, the average of all such quotations, or (iii) if only one such Reference Market Maker Quotation is obtained, the amount of the Reference Market Maker Quotation so obtained;

“**Reference Market Maker Quotations**” means, with respect to each Reference Market Maker and any Make-Whole Redemption Date, the average, as determined by the Calculation Agent, of the bid and asked prices for the Reference Bond (expressed in each case as a percentage of its nominal amount) quoted in writing to the Calculation Agent at the Quotation Time specified in the applicable Final Terms on the Reference Rate Determination Date specified in the applicable Final Terms;

“**Reference Market Makers**” means five brokers or market makers of securities such as the Reference Bond selected by the Calculation Agent or such other five persons operating in the market for securities such as the Reference Bond as are selected by the Calculation Agent in consultation with the Issuer; and

“**Reference Rate**” means, with respect to any Make-Whole Redemption Date, the rate per annum equal to the equivalent yield to maturity of the Reference Bond, calculated using a price for the Reference Bond (expressed as a percentage of its nominal amount) equal to the Reference Bond Price for such Make-Whole Redemption Date. The Reference Rate will be calculated on the Reference Rate Determination Date specified in the applicable Final Terms.

(f) *Issuer Maturity Call Option*

This Condition 6(f) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons pursuant to Condition 6(b) or pursuant to the Issuer Call described in Condition 6(c) or pursuant to the Issuer Residual Call described in Condition 6(d) or pursuant to a Make-Whole Redemption by the Issuer as described in Condition 6(e)), such option being referred to as the “Issuer Maturity Call”.

If Issuer Maturity Call is specified in the applicable Final Terms, the Issuer may at its option, having given:

- (i) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 15; and
- (ii) not less than 15 days before giving the notice referred to in (i) above, notice to the Trustee and Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all the Notes then outstanding, but not some only, on any Business Day during the period commencing on (and including) the day that is 90 days prior to the Maturity Date (the “**Issuer Maturity Call Period Commencement Date**”) to (and excluding) the Maturity Date, at the Final Redemption Amount specified in the applicable Final Terms, together (if appropriate) with interest accrued (but unpaid) to (but excluding) the date fixed for redemption.

(g) *Redemption at the option of the Noteholders (Investor Put)*

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 15 not less than 15 nor more than 30 days’ notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a “**Put Notice**”) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by, if this Note is in definitive form, this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

(h) *Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 9, each Note will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Note (other than a Zero Coupon Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the “**Amortised Face Amount**”) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

“**RP**” means the Reference Price;

“**AY**” means the Accrual Yield expressed as a decimal; and

“**y**” is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (Fixed), Actual/365 or Actual/Actual (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

(i) *Purchases*

The Issuer, the Guarantor or any other Subsidiary of the Guarantor may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer, the Guarantor or the relevant Subsidiary of the Guarantor, surrendered to any Paying Agent for cancellation.

(j) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(k) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c), (d), (e), (f) or (g) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (h)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (A) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (B) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 15.

7. **TAXATION**

(i) *Where the Issuer is GSK plc or GSK Capital plc*

The provision of this paragraph shall apply where the Issuer is GSK plc or GSK Capital plc.

All payments of principal and interest (if any) by or on behalf of the Issuer or the Guarantor (in the case of Guaranteed Notes) will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges (together, the “**Taxes**”) of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Relevant Tax Jurisdiction, unless such withholding or deduction is required by law. In that event, the Issuer or the Guarantor (as the case may be) shall, subject to the penultimate paragraph of this Condition 7 below, pay such additional amounts as will result in the receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such Taxes been required to be withheld or deducted; provided that no such additional amounts will be payable in respect of Notes or Coupons:

- (a) presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such withheld or deducted Taxes by reason of his having some connection with a Relevant Tax Jurisdiction other than the mere holding of a Note or Coupon; or
- (b) to, or to a third party on behalf of, a Noteholder or Couponholder if such withholding or deduction may be avoided by the Noteholder or Couponholder complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption, unless such Noteholder or Couponholder proves that he is not entitled so to comply or to make such declaration or claim; or
- (c) presented for payment in a Relevant Tax Jurisdiction; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that a Noteholder or Couponholder would have been entitled to payment of such additional amounts if he had presented his Note or Coupon for payment on the thirtieth day after the

Relevant Date (assuming that day to have been a Payment Day (as defined in Condition 5(e)); or

- (e) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent; or
- (f) any combination of the above.

All payments of principal and interest (if any) by the Issuer or the Guarantor (in the case of Guaranteed Notes) will be made in all cases subject to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or law implementing an intergovernmental approach thereto. Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid in respect of the Notes or Coupons with respect to any such withholding or deduction.

“**Relevant Date**” means, in respect of any payment, the date on which such payment first becomes due and payable, if the full amount of such money has not been received by the Agent or the Trustee prior to such date, or the date on which the full amount of such money having been so received by the Agent or Trustee, notice to that effect shall have been given in accordance with Condition 15.

- (ii) *Where the Issuer is GSK Capital K.K.*

The provisions of this paragraph shall apply where the Issuer is GSK Capital K.K.

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes and the Coupons shall be made without withholding or deduction for any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by Japan or any authority thereof or therein having power to tax (the “**Japanese Taxes**”) or the United Kingdom or any authority therein or thereon having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts (“**Additional Amounts**”) as will result in the receipt by or on behalf of the holders of such amounts as would have been received by them had no such deduction or withholding been required, except that no Additional Amounts shall be payable with respect to any Note or Coupon:

- (a) to, or to a third party on behalf of, a holder who is an individual non-resident of Japan or a non-Japanese corporation and is liable for such Japanese Taxes in respect of such Note or Coupon by reason of its (i) having some connection with Japan other than the mere holding of such Note or Coupon or (ii) being a person having a special relationship with the Issuer as described in Article 6, paragraph 4 of the Special Taxation Measures Act of Japan (Act No. 26 of 1957, as amended) (the “**Special Taxation Measures Act**”) (any such person being hereinafter referred to as a “**specially-related person of the Issuer**”); or
- (b) to, or to a third party on behalf of, a holder who would otherwise be exempt from any such withholding or deduction but who fails to comply with any applicable requirement to provide Interest Recipient Information (as defined below) or to submit a Written Application for Tax Exemption (as defined below) to a Paying Agent to whom the relevant Note or Coupon is presented, or whose Interest Recipient Information is not duly communicated through the Participant (as defined below) and the relevant international clearing organisation to such Paying Agent; or
- (c) to, or to a third party on behalf of, a holder who is for Japanese tax purposes treated as an individual resident of Japan or a Japanese corporation (except for a Designated Financial Institution (as defined below) which complies with the requirement to provide Interest Recipient Information or to submit a Written Application for Tax Exemption); or

- (d) where such Note or Coupon is presented for payment more than 30 days after the Relevant Date except to the extent that the holder of the Note or Coupon would have been entitled to such Additional Amounts on presenting the same for payment on the last day of such 30-day period; or
- (e) presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such withheld or deducted Taxes by reason of his having some connection with a Relevant Tax Jurisdiction other than the mere holding of a Note or Coupon; or
- (f) to, or to a third party on behalf of, a Noteholder or Couponholder if such withholding or deduction may be avoided by the Noteholder or Couponholder complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption, unless such Noteholder or Couponholder proves that he is not entitled so to comply or to make such declaration or claim; or
- (g) presented for payment in a Relevant Tax Jurisdiction; or
- (h) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent; or
- (i) any combination of the above.

Where a Note or Coupon is held through a participant of an international clearing organisation or a financial intermediary (each, a “**Participant**”), in order to receive payments free of withholding or deduction by the Issuer for, or on account of, Japanese Taxes, if the relevant holder is (i) an individual non-resident of Japan or a non-Japanese corporation (other than a specially-related person of the Issuer) or (ii) a Japanese financial institution or financial instruments business operator falling under certain categories prescribed by the cabinet order under Article 6, paragraph 9 of the Special Taxation Measures Act (a “**Designated Financial Institution**”), such holder shall, at the time of entrusting such Participant with the custody of the relevant Note or Coupon, provide certain information prescribed by the Special Taxation Measures Act and the cabinet order and other regulations thereunder to enable the Participant to establish that such holder is exempted from the requirement for Japanese Taxes to be withheld or deducted (the “**Interest Recipient Information**”) and advise the Participant if the holder ceases to be so exempted (including the case in which a holder who is an individual non-resident of Japan or a non-Japanese corporation becomes a specially-related person of the Issuer).

Where a Note or Coupon is not held by a Participant, in order to receive payments free of withholding or deduction by the Issuer for, or on account of, Japanese Taxes, if the relevant holder is (i) an individual non-resident of Japan or a non-Japanese corporation (other than a specially-related person of the Issuer) or (ii) a Designated Financial Institution, such holder shall, prior to each receipt of interest, submit to the relevant Paying Agent a written application for tax exemption (*hikazei tekiyo shinkokusho*) (a “**Written Application for Tax Exemption**”) in a form obtainable from the Paying Agent stating, inter alia, the name and address of the holder, the title of the Note or Coupon, the relevant Interest Payment Date, the amount of interest and the fact that the holder is qualified to submit the Written Application for Tax Exemption, together with documentary evidence regarding its identity and residence.

Any reference in this Note or any Coupon to principal or interest shall be deemed also to refer to any additional amount which may be payable under this Condition.

References in this Condition to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or

any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition.

All payments of principal and interest (if any) by the Issuer or the Guarantor (in the case of Guaranteed Notes) will be made in all cases subject to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or law implementing an intergovernmental approach thereto. Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid in respect of the Notes or Coupons with respect to any such withholding or deduction.

“**Relevant Tax Jurisdiction**” means, where the Issuer is GSK plc or GSK Capital plc, the United Kingdom, and where the Issuer is GSK Capital K.K., the United Kingdom or Japan, or in each case any political subdivision thereof or any authority thereof or therein having power to tax.

8. PRESCRIPTION

The Notes and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. EVENTS OF DEFAULT

The Trustee at its discretion may, and if so requested in writing by Noteholders holding at least one quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to being indemnified and/or secured to its satisfaction), (provided that, except in the case of the happening of the event mentioned in paragraph (i) below, the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Noteholders) give notice to the Issuer and the Guarantor (in the case of Guaranteed Notes), that the Notes are, and they shall thereby immediately become, due and repayable at their Early Redemption Amount (as described in Condition 6(h)) together with accrued interest as provided in the Trust Deed (except in the case of Zero Coupon Notes to which the provisions of Condition 6(k) apply), if any of the following events shall occur (each, following certification as aforesaid, an “**Event of Default**”) and be continuing:

- (i) the Issuer, failing whom the Guarantor (in the case of Guaranteed Notes), fails to pay the principal of any Notes within seven business days of the due date or fails to pay any interest (if any) in respect of the Notes within 14 business days of the due date and for the purposes of this paragraph (i) “**business day**” shall mean a day (other than a Saturday or a Sunday) on which commercial banks are open for business in London; or
- (ii) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Notes or the Trust Deed or the Guarantor (in the case of Guaranteed Notes) defaults in performance or observance of or compliance with any of its obligations under the Notes or the Trust Deed, which default is incapable of remedy or which, if capable of remedy, is not remedied to the Trustee’s satisfaction within 30 days (or such longer period as the Trustee may permit) after written notice requiring remedy of such default shall have been given to the Issuer and the Guarantor by the Trustee; or
- (iii) any indebtedness for borrowed moneys of either the Issuer, the Guarantor (in the case of Guaranteed Notes) or any Principal Subsidiary, having in any particular case an outstanding principal amount of at least £100,000,000 (or its equivalent, from time to time, in any other currency), becomes due and payable prior to its stated maturity by reason of an event of

default in relation thereto or is not paid on its due date or after any applicable period of grace; or

- (iv) a distress or execution or other legal process is levied or enforced against, or an encumbrancer takes possession of, or an administrative or other receiver or an administrator is appointed of, the whole or any part (which is substantial in relation to the Guarantor and its Subsidiaries taken as a whole) of the assets or undertakings of the Issuer, the Guarantor or any Principal Subsidiary and is not stayed, removed, discharged or paid out within 30 days; or
- (v) the Issuer, the Guarantor (in the case of Guaranteed Notes) or any Principal Subsidiary is unable to pay its debts generally as they fall due or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors generally or an effective resolution is passed or an order is made for the winding up of the Issuer, the Guarantor or any Principal Subsidiary or the Issuer, the Guarantor or any Principal Subsidiary stops payment of its obligations generally or ceases to carry on its business or a part thereof which is substantial in relation to the Guarantor and its Subsidiaries taken as a whole (except in any case for the purpose of a reconstruction, union, transfer, merger or amalgamation effected with the consent of the Trustee and except, in the case of a Principal Subsidiary, for the purpose of a reconstruction, union, transfer, merger or amalgamation pursuant to which all of its property, assets and undertaking are transferred to either the Issuer, the Guarantor (in the case of Guaranteed Notes) or another Principal Subsidiary).

“**Principal Subsidiary**” is defined in the Trust Deed to mean a Subsidiary of the Guarantor whose total assets or total profits before interest payable and tax (“**Gross Profits**”) (attributable to the Guarantor) represent 10 per cent. or more of the consolidated total assets or consolidated Gross Profits (as the case may be) of the Guarantor and its Subsidiaries as reflected in the latest published audited consolidated financial statements of the Guarantor and its Subsidiaries (all as more particularly described in the Trust Deed). Total assets and total Gross Profits will, for this purpose, exclude assets and profits eliminated in the consolidation referred to in the previous sentence.

A certificate signed by any two Directors of the Guarantor or by any one Director and a Secretary of the Guarantor to the effect that in their opinion a Subsidiary of the Issuer is or is not or was or was not at any particular time or throughout any specified period a Principal Subsidiary shall, in the absence of a manifest error, be conclusive and binding on all parties.

10. **REPLACEMENT OF NOTES, COUPONS AND TALONS**

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. **ENFORCEMENT**

The Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer or the Guarantor (in the case of Guaranteed Notes) as it may think fit to enforce any obligation, condition or provision binding on the Issuer or the Guarantor (in the case of Guaranteed Notes) under the Notes or Coupons or under the Trust Deed, but shall not be bound to do so unless:

- (a) it has been so directed by an Extraordinary Resolution or in writing by the holders of at least one-quarter of the nominal amount of the Notes outstanding; and
- (b) it has been indemnified and/or secured and/or prefunded to its satisfaction.

No Noteholder or Couponholder shall be entitled to institute proceedings directly against the Issuer or the Guarantor (in the case of Guaranteed Notes) unless the Trustee, having become bound to proceed as aforesaid, (i) fails to do so within 60 days or (ii) is unable for any reason to do so, and such failure or inability is continuing.

12. INDEMNIFICATION OF TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from any obligation to take proceedings to enforce repayment unless indemnified and/or secured to its satisfaction. The Trust Deed also contains provisions pursuant to which the Trustee is entitled inter alia, (i) to enter into business transactions with each Issuer, the Guarantor and/or any Subsidiary of the Guarantor and to act as trustee for the holders of any other securities issued or guaranteed by or relating to either Issuer, the Guarantor or any Subsidiary of the Guarantor, (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Couponholders, and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

13. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series of Notes, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be a Paying Agent in a jurisdiction within continental Europe; and
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by another relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or such other relevant authority.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 15.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and the Guarantor and, in certain limited circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

14. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

15. NOTICES

All notices regarding the Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that any such publication will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or admitted to trading by another relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or any relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the second day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative definitive Note or definitive Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Trustee and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

16. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including proposals to modify by Extraordinary Resolution (as such term is defined in the Trust Deed) these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that, at any meeting the business of which includes the modification of certain material terms and conditions of the Notes and provisions of the Trust Deed (as set out therein), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than one-quarter, of the nominal amount of the Notes for the time being outstanding. A Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they are present at the meeting, and on all Couponholders. An Extraordinary Resolution may also be effected in writing executed by or on behalf of the persons holding or representing not less than 90 per cent. of the nominal amount of the Notes for the time being outstanding or by way of electronic consents through Euroclear and Clearstream, Luxembourg (in a form satisfactory to the Trustee) by or on behalf of holders of not less than 90 per cent. of the nominal amount of the Notes for the time being outstanding. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification (subject as provided above) of, or to any waiver or authorisation of any breach or proposed breach of any provision of the Notes or the Trust Deed or determine without any such consent as aforesaid, that any Event of Default or Potential Event of Default shall not be treated as such, where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders or to any modification to correct a manifest or a formal, minor or technical error or an error which in the opinion of the Trustee is proven. In addition, the Trustee shall be obliged to concur with the relevant Issuer in using its

reasonable endeavours to effect any Benchmark Amendments to the circumstances and as otherwise set out in Condition 4(b)(v) without the consent of the Noteholders or Couponholders.

When implementing any modification pursuant to this Condition 16, the Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Trustee would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations, responsibilities or duties, or decreasing the rights, powers, authorisations, discretions, indemnification or protections, of the Trustee under these presents (including, for the avoidance of doubt, any supplemental trust deed) in any way.

Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter.

The Trustee may agree (in the case of Guaranteed Notes), without the consent of the Noteholders or Couponholders, to the substitution at any time or times of (i) the Guarantor or any Successor in Business (as defined in the Trust Deed) or Holding Company (as defined in the Trust Deed) of the Guarantor, or (ii) subject to the Notes and Coupons remaining unconditionally and irrevocably guaranteed by the Guarantor or a Successor in Business or Holding Company of the Guarantor, any other company which is controlled by such guarantor, as the principal debtor under the Trust Deed and the Notes or (iii) any Successor in Business or Holding Company of the Guarantor, as guarantor under the Trust Deed and the Notes. Such agreement shall also be subject to the relevant provisions of the Trust Deed, such amendments thereof and such other conditions as the Trustee may approve or require. In the case of any proposed substitution, the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons and/or the Trust Deed, provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

In connection with the exercise of its powers, trusts, authorities and discretions (including but not limited to those in relation to any proposed modification, waiver, authorisation, determination, substitution or change of law as aforesaid), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Guarantor (in the case of Guaranteed Notes), the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided in Condition 7 or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

17. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

18. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

19. **GOVERNING LAW AND SUBMISSION TO JURISDICTION**

(a) *Governing Law*

The Trust Deed, the Agency Agreement, the Notes and the Coupons are governed by, and shall be construed in accordance with, English law. Any matter, claim or dispute arising out of or in connection with the Trust Deed, the Agency Agreement, the Notes and the Coupons, whether contractual or non contractual, is governed by, and shall be construed in accordance with, English law.

(b) *Submission to jurisdiction*

Each of the Issuer and the Guarantor has irrevocably agreed in the Trust Deed for the benefit of the Trustee, the Noteholders and the Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with the Trust Deed, the Notes and the Coupons may be brought in such courts.

Each of the Issuer and the Guarantor has in the Trust Deed irrevocably and unconditionally waived any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum, hereby irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and hereby irrevocably waives any objection to the enforcement of that judgement in the courts of any other jurisdiction.

To the extent allowed by law, nothing contained in this Condition shall limit any right to take Proceedings against the Issuers in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) *Appointment of Process Agent*

GSK Capital K.K. has in the Trust Deed irrevocably and unconditionally appointed the Guarantor at its registered office for the time being as its agent for service of process in England in respect of any Proceedings in England, and undertakes that, in the event of its ceasing so to act or ceasing to be registered in England, it will promptly appoint another person approved by the Trustee as its agent for that purpose. GSK Capital K.K. agrees that failure by a process agent to notify it of any process will not invalidate service. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

USE OF PROCEEDS

Unless otherwise stated in the applicable Final Terms, the net proceeds from each issue of Notes will be used for the general purposes of the Group and such specific purposes as may be determined from time to time. If the net proceeds, in relation to a particular Tranche of Notes, will be used for anything other than making profit and/or hedging certain risks, this will be stated in the applicable Final Terms.

TAXATION

United Kingdom Taxation

The following is only a summary of the Issuers' understanding of current United Kingdom tax law and HM Revenue & Customs ("HMRC") published practice as at the date of this Prospectus relating to certain United Kingdom tax implications of investing in the Notes as they affect most investors (other than certain classes of person to whom special rules may apply (including dealers in securities and persons connected with the Issuer)). It does not deal with situations where the Noteholder is not the beneficial owner of the Notes. The UK tax treatment of prospective Noteholders depends on their individual circumstances and may be subject to change in the future. Persons who are unsure of their tax position are strongly advised to consult their own professional advisers.

1. *Withholding tax*

a. Notes issued by GSK plc or GSK Capital plc

- i. Short-term Notes.* Where interest is payable on Notes which have a maturity of less than 365 days (and which are not issued under arrangements intended to be capable of remaining outstanding for a total term of more than 364 days), the interest will not be "yearly interest" for the purposes of the Income Tax Act 2007 ("ITA 2007") and accordingly payments of interest on such Notes may be made without withholding or deduction for or on account of United Kingdom income tax.
- ii. Other Notes.* Interest bearing Notes will constitute "Quoted Eurobonds" within the meaning of Section 987 of the ITA 2007 while the Notes are listed on a "recognised stock exchange" within the meaning of Section 1005 of the ITA 2007 (the London Stock Exchange is such a "recognised stock exchange"). Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the FSMA) and admitted to trading on the London Stock Exchange. Payments of interest on Notes which are Quoted Eurobonds at the time of the payment may be made without withholding or deduction for or on account of United Kingdom income tax.

In other cases an amount must generally be withheld on account of United Kingdom income tax at the basic rate (currently 20 per cent.) from payments of interest (that has a United Kingdom source) on the Notes, subject to any other available exemption and reliefs. For example, this may include (i) any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of an applicable double taxation treaty or (ii) the interest being paid to the persons (including companies within the charge to United Kingdom corporation tax) and in the circumstances specified in Sections 933 to 937 of the ITA 2007.

b. Notes issued by GSK Capital K.K.

Payments of interest on Notes issued by GSK Capital K.K. that does not have a United Kingdom source may be made without withholding or deduction for or on account of United Kingdom income tax. If payments of interest on such Notes does have a United Kingdom source, then payments may be made without deduction or withholding on account of United Kingdom income tax in the circumstances described in paragraph a. above.

2. *Further United Kingdom income tax issues in respect of interest on Notes*

Interest on the Notes that constitutes United Kingdom source income for tax purposes may be subject to income tax by direct assessment even when paid without withholding.

However, interest with a United Kingdom source received without deduction or withholding on account of United Kingdom tax will not be chargeable to United Kingdom tax in the hands of a

Noteholder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Noteholder carries on a trade, profession or vocation in the United Kingdom through a branch or agency in the United Kingdom in connection with which the interest is received or to which the Notes are attributable (and where the Noteholder is a company, unless that Noteholder carries on a trade in the United Kingdom through a permanent establishment in connection with which the interest is received or to which the Notes are attributable). There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers). The provisions of an applicable double taxation treaty may also be relevant for such Noteholders.

Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision under an applicable double taxation treaty.

3. *United Kingdom corporation tax payers*

In general Noteholders which are within the charge to United Kingdom corporation tax in respect of Notes will be charged to tax as income (or, in certain circumstances, may obtain relief) on all returns, profits or gains or losses on, and fluctuations in value of, the Notes (whether attributable to currency fluctuations or otherwise) broadly in accordance with their statutory accounting treatment.

4. *Other United Kingdom tax payers*

Taxation of chargeable gains

A disposal of Notes by an individual Noteholder who is resident in the United Kingdom or who carries on a trade, profession or vocation in the United Kingdom through a branch or agency to which the Notes are attributable, may give rise to a chargeable gain or allowable loss for the purposes of the United Kingdom taxation of chargeable gains, unless the Notes constitute “*qualifying corporate bonds*” within the meaning of Section 117 of the Taxation of Chargeable Gains Act 1992. There are rules to prevent any particular gain (or loss) from being charged (or relieved) at the same time under these provisions and also under the provisions of the “*accrued income scheme*” described below.

Accrued Income Scheme

On a disposal of Notes by a Noteholder, any interest which has accrued since the last interest payment date may be chargeable to tax as income under the rules of the “*accrued income scheme*” as set out in Part 12 of the ITA 2007 if that Noteholder is resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Notes are attributable.

Taxation of discount

Notwithstanding the paragraph entitled “*Taxation of chargeable gains*” above, if the Notes constitute “*deeply discounted securities*” for the purposes of Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005, individual Noteholders who are within the scope of United Kingdom income tax will be liable to United Kingdom income tax on any gain made on the sale or other disposal (including redemption) of the Notes but such Noteholder will not be able to claim relief from income tax in respect of costs incurred on the acquisition, transfer or redemption, or losses incurred on the transfer or redemption, of the Notes.

The Proposed Financial Transactions Tax (“FTT”)

The European Commission published on 14th February, 2013, a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “**participating Member States**”). However, Estonia has since stated that it will not participate.

The proposed FTT has very broad scope and could, if introduced in its published form, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

The FTT could, as published, apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between the participating Member States. The scope of any such tax and the timing of its implementation consequently remains unclear. Additional EU Member States may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

Japanese Taxation

The following description of Japanese taxation (limited to national taxes) applies to interest and the Profit from Redemption (as defined below) with respect only to the Notes issued by GSK Capital K.K. outside Japan and the interest on which will be payable outside Japan, as well as certain aspects of capital gains, inheritance and gift taxes. It does not address the tax treatment of the original issue discount of the Notes that fall under “discounted bonds” as prescribed by the Special Taxation Measures Act. It is not intended to be exhaustive, and it is recommended that Noteholders and/or Couponholders consult their tax advisers as to their exact tax position.

Interest and Profit from Redemption

Interest payments on the Notes will be subject to Japanese withholding tax unless the holder establishes that the Notes are held by or for the account of a holder that is (a) for Japanese tax purposes, neither (i) an individual resident of Japan or a Japanese corporation, nor (ii) an individual non-resident of Japan or a non-Japanese corporation that in either case is a specially-related person of the Issuer, (b) a designated Japanese financial institution described in Article 6, paragraph 9 of the Special Taxation Measures Act which complies with the Japanese tax exemption requirements, or (c) a public corporation, a financial institution, a financial instruments business operator or certain other entity (which has complied with the Japanese tax exemption requirements) which has received such payments through its payment handling agent in Japan as provided in Article 3-3 paragraph 6 of the Special Taxation Measures Act.

If a beneficial owner of any Notes is an individual non-resident of Japan or a non-Japanese corporation that in either case is not a specially-related person of the Issuer, or a designated Japanese financial institution described in Article 6, paragraph 9 of the Special Taxation Measures Act, payment of interest on such Notes outside Japan by the Issuer or the Paying Agent to such beneficial owner will not be subject to Japanese withholding tax, provided that such beneficial owner complies with certain requirements, inter alia:

- (a) if such Notes are held through a Participant, the requirement to provide, at the time of entrusting the Participant with the custody of such Notes, certain information prescribed by the Special Taxation Measures Act and the cabinet order and other regulations thereunder to enable the Participant to establish that such beneficial owner is exempt from the requirement for Japanese tax to be withheld or deducted; and
- (b) if such Notes are not held through a Participant, the requirement to submit to the Paying Agent a claim for exemption from withholding tax (*hikazei tekiyo shinkokusho*) in a form obtainable from the Paying Agent stating, inter alia, the name and address of such beneficial owner, the title of the Note, the relevant Interest Payment Date, the amount of interest and the fact that such beneficial owner is qualified to submit the claim for

exemption from withholding tax, together with certain documentary evidence regarding its identity and residence, at or prior to each receipt of interest.

Even if a beneficial owner of any Notes is an individual non-resident of Japan or a non-Japanese corporation that in either case is not a specially-related person of the Issuer and has complied with the requirements described above, payment of interest on the Notes, however, will be subject to Japanese income or corporation taxes (including, where applicable, special taxes for reconstruction) payable otherwise than by way of withholding if such beneficial owner has a permanent establishment in Japan through which it conducts business and payment of such interest is attributable to such permanent establishment. Interest payments of the Notes held by a holder who is for Japanese tax purposes treated as an individual resident of Japan or a Japanese corporation (except for a designated Japanese financial institution described in Article 6, paragraph 9 of the Special Taxation Measures Act) will, in general, be subject to Japanese withholding tax, regardless of whether the holder complies with the requirements described above. The above-described exemption from Japanese income tax with respect to interest on the Notes will not be applicable to any Notes on which interest is calculated based on any of certain indices, including the amount of profits or assets of the Issuer or a specially-related person of the Issuer, as described in Article 6, paragraph 4 of the Special Taxation Measures Act and the Cabinet Order relating to that paragraph.

If the recipient of any difference between the acquisition price of Notes and the amount which the holder receives upon redemption of such Notes, defined in Article 41-13 and Article 67-17 of the Special Taxation Measures Act as profit from redemption (the “**Profit from Redemption**”), is an individual non-resident of Japan or a non-Japanese corporation with no permanent establishment in Japan that in either case is not a specially-related person of the Issuer, no Japanese income or corporation taxes will be payable with respect to the Profit from Redemption. If the receipt of the Profit from Redemption is attributable to a permanent establishment maintained in Japan by an individual non-resident of Japan or a non-Japanese corporation through which such individual non-resident of Japan or non-Japanese corporation conducts business, however, the Profit from Redemption will be subject to Japanese income or corporation taxes (including, where applicable, special taxes for reconstruction).

Capital gains, inheritance and gift taxes

Gains derived from the sale of Notes by an individual non-resident of Japan or a non-Japanese corporation with no permanent establishment in Japan in general will not be subject to Japanese income or corporation taxes. Japanese inheritance and gift taxes at progressive rates may be payable by an individual who has acquired Notes as a legatee, heir or donee. No stamp, issue, registration or similar taxes or duties will, under present Japanese law, be payable in Japan by the Noteholders in connection with the issue of the Notes.

U.S. Foreign Account Tax Compliance Act Withholding

The U.S. Foreign Account Tax Compliance Act (“**FATCA**”) will generally impose a withholding tax of 30 per cent. on “foreign passthru payments” received by foreign financial institutions (“**FFIs**”), unless certain requirements are met. Under FATCA, the Issuers and FFIs through which payments on the Notes (including original issue discount, if any, and principal and redemption proceeds), are made could be required to withhold this tax in certain circumstances. In respect of debt obligations, FATCA withholding currently only applies to (i) payments of interest income on debt obligations issued by United States persons (as defined for U.S. federal income tax purposes), or (ii) payments with respect to debt obligations treated as “foreign passthru payments” made two years or more after the date on which the final regulations defining the term “foreign passthru payments” are published. Furthermore, Notes that are outstanding as of the date that is six months after the date on which final regulations defining the term “foreign passthru payment” are published (the “grandfathering period”) will not be subject to FATCA withholding unless the Notes are considered to be equity for U.S. federal income tax purposes or the Notes are “materially modified” for U.S. federal income tax purposes after the end of the grandfathering period. No withholding would be required under FATCA provided that payees (including any intermediary entities in a chain or series of payments) comply with certain information reporting, certification and related requirements. The United States has entered into intergovernmental agreements with respect to FATCA with the United Kingdom, Japan and certain other jurisdictions. These intergovernmental agreements modify the rules under FATCA. It is not yet

certain how the United States and these jurisdictions will address “foreign passthru payments” or if withholding will be required at all under such agreements. Noteholders will not be entitled to receive any additional amounts in the event that payments on the Notes are subject to withholding under FATCA. Prospective investors should consult their own tax advisors regarding the application of FATCA to the Notes.

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement dated 2 August, 2019 (as amended and/or supplemented and/or restated from time to time, the “**Programme Agreement**”), agreed with each Issuer and (in the case of Guaranteed Notes) the Guarantor a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, the Issuers (failing which, the Guarantor) have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons or persons within the United States or its possessions. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers transacting with the Issuers

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for the Issuers and their affiliates in the ordinary course of business. Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuers and their affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuers or the Issuers' affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuers routinely hedge their credit exposure to the Issuers consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.
