

AIDS Concern Foundation Limited

AIDS Concern is an NGO established in 1990 as the first non-government charity organization committed to the services of AIDS care in Hong Kong. The founders were a group of volunteers from different backgrounds dedicated to improving the living standards for people living with HIV; and to stop the spread of HIV. Its services cover community and online outreach, HIV quick test and consultation.

We have supported this group since 2016.

During 2022:

- GSK provided
 - a sponsorship of HK\$100,000 to support the AIDS Concern HIV Conference 2022
 - a sponsorship of HK\$200,000 to support the Anti-Stigma Campaign 2022
 - a sponsorship of HK\$280,000 to support the World AIDS Day Awareness Campaign 2022

Our support represented 3% (estimate) of their overall income

Community Health Organization for Intervention, Care and Empowerment Ltd. (CHOICE)

CHOICE is an NGO focusing on disease prevention education and empowerment, especially issues relating to HIV/AIDS. Its services cover community and online outreach, HIV quick test and counselling and drug abuse counselling.

We have supported this group since 2016.

 - a sponsorship of HK\$50,000 to support the World AIDS Day Campaign Week 2022

Our support represented 13% of their overall income

Hong Kong AIDS Foundation Limited

Hong Kong AIDS Foundation is an NGO established in 1991 prompted by the general public's poor understanding of AIDS and common misconceptions about those living with HIV/AIDS. It aims to enhance the public awareness of the HIV/AIDS epidemic, educate the public in HIV/AIDS, provide a range of service needed by people infected with HIV or otherwise affected by HIV/AIDS and promote care and support for people living with HIV/AIDS

We have supported this group since 2022.

During 2022:

- GSK provided
 - a sponsorship of HK\$100,000 to support the Virtual Ribbon Run 2022

Our support represented 2% (estimate) of their overall income

Hong Kong Arthritis & Rheumatism Foundation Limited

The Hong Kong Arthritis & Rheumatism Foundation, formed in 2001, aims to improve the understanding of arthritis and rheumatic conditions commonly seen in Hong Kong and to improve the health-related quality of life of people with these disorders. It supports a wide range of activities, including disease education, patient support programmes, patient activities, fundraising and other disease awareness activities.

We have supported this group since 2019.

During 2022:

- GSK provided
 - a sponsorship of HK\$20,000 to support a patient education session by doctor on virtual platform

Our support represented 0.5% of their overall income

Hong Kong Lupus Association

HKLA is coadjutant and self-helping organization founded by a group of Systemic Lupus Erythematosus (SLE) sufferers, which is established since 1988. The group aims at sharing experience, caring and providing assistance to SLE sufferers and helping them to face and treat SLE as well as raising the public's awareness and understanding about SLE through publishing newsletter, organizing health talks and activities

We have supported this group since 2020.

During 2022:

- a total of HK\$98,000 to support the disease awareness campaign on World Lupus Day 2022
